"This program is wonderful. My oldest son used it to raise his composite ACT score from 29 to 33 with just 6 weeks of preparation. I am purchasing this program for my next son to do just as well, but hopefully the first time around, or maybe even better with more preparation time with this powerful tool." ***Theresa Fletcher, 9-5-2016***

"This program allowed me to help my daughter prepare for the ACT. Because of her score, she received a full scholarship offer and will be attending Dillard University in the fall. I am renewing this program to start on the same successful path for her sisters. Thank you!!." ***DeSha Lee, Duson, Louisiana July 20, 2016***

"This is our 7th time using the program over the course of the past 10 years with all of your children. Thank you. We would not be able to afford this without your help." ***Susan Renihan, Massachusetts, October 04, 2016***
