

2016 FALL SEASON TEAM INFORMATION DOCUMENT

The **MIDWEST REGIONAL LEAGUE's (MRL)** mission is to provide the highest standard of competitive play for youth teams that are members of US Youth Soccer Region II (the Midwest Region). The MRL offers quality league competition in our area as teams primarily play against teams outside of their state association. Also, teams playing in the 2016 Fall Season Girls U-15, U-16, U-17 and U-18 and U-19/20 Premier I Divisions, vie for the chance to earn spots into the Midwest Regionals as part of the US Youth Soccer National Championship Series. Teams in the 2016 Fall Season Premier I Division at Girls U-15, Girls U-16, and Girls U-17 also compete for an automatic qualifying slots in the 2017-18 US Youth Soccer National League.

LEVEL OF COMMITMENT EXPECTED BY MRL TEAMS

Any team looking to participate in the MRL must understand the level of commitment it takes to participate in a League that stretches across the Midwest. All teams understand that this is a Regional League and that teams may travel hundreds of miles to participate in MRL games. The determination of game sites is based in part due to home locations of teams within a division as well as field availability. Teams understand that they may not play any home games. A limited number of teams are accepted. Team success in past US Youth Soccer programs helps determine qualification for participation in the MRL. The level of competition surpasses any youth team competition within a team's state association. Teams will be competing against the best US Youth Soccer affiliated teams from across the Midwest.

MRL rules allow teams to use up to 30 players during the course of a season. There should be no reason why a team cannot field a team to play in a scheduled match as teams have the ability to use 30 players during a season. If your team chooses to roster less than the allotted number (30) it is highly recommended that the team re-evaluates its commitment to playing in the MRL. There is no greater disservice to your opponents to participate in a weekend of MRL games with minimal number of players. Teams expect opponents to field competitive teams as the expense for participation is great due to travel demands. Teams that do not fulfill their commitment to play MRL games are subject to discipline as per MRL Rule 9.04 – Discipline/Fine Schedule.

AGE GROUPS OF COMPETITION

Be sure to review the information on the MRL website in regards to US Soccer's birth year registration mandate and how this mandate affects the evolution of teams from the 2015-16 soccer calendar year to the 2016-17 soccer calendar year.

APPLICATION PROCEDURES

The Team Application deadline is **Wednesday, June 29, 2016**. Contact your State Association office for the web link in order to enter the secure application website for the MRL.
