

## **Completing the CDC Heads Up Concussion Course**

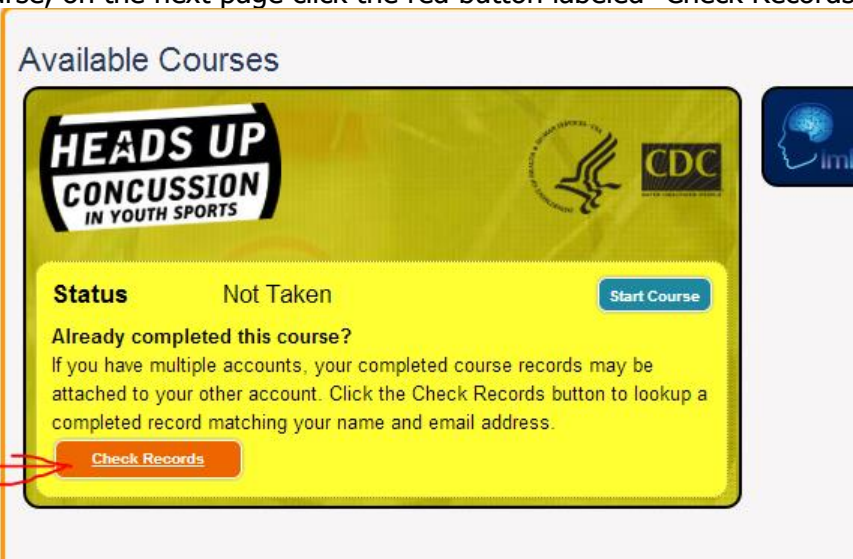

As of September 1, 2014, all competitive, travel, premier and ODP coaches, including Assistant Coaches and Managers, must complete the **Center for Disease Control (CDC) Heads Up Concussion Course** before they can be listed on a roster certified by Soccer Rhode Island.

As you know concussions in youth sports is a serious issue for all players. Soccer-RI is hoping that by giving you the tools to understand the concussion protocol you will be better equipped to protect your players.

**To complete the CDC Heads Up Concussion Course**, simply go to [www.GotSoccer.com](http://www.GotSoccer.com) and log into your **individual coach or manager account**, (NOT your team account). Click on the Concussion Center on the top banner of your homepage. On the next page is the link to the **Center for Disease Control (CDC) Heads Up Concussion Course**.

Once you complete the course, you will receive a Certificate of Completion: print or save the certificate as a PDF file. Your GotSoccer Coach or Manager Account will reflect that you have completed the course. You may also log back into your GotSoccer Coach Account at any time and print out a copy of your **Center for Disease Control (CDC) Heads Up Concussion Course Certificate**. You may use this certificate if you coach another sport or for any other purpose.

**What to do if you have more than one coach or manager account:** **AFTER** you have completed the **Center for Disease Control (CDC) Heads Up Concussion Course**, log into your other accounts, click on the Concussion Center, then click on the CDC Heads Up Concussion Course, on the next page click the red button labeled "Check Records"
