

How to link the CDC Heads Up Concussion Certificate to multiple accounts in GotSoccer:

If you have more than one coach or manager account: **AFTER** you have completed the **Center for Disease Control (CDC) Heads Up Concussion Course**, log into your other accounts, click on the Concussion Center, then click on the CDC Heads Up Concussion Course, on the next page click the red button labeled "Check Records"

If the courses successfully link you will see the following:

NOTE! The name and email address must match exactly for the course to link to the new account.
