

How to add/change a Coach or Team Manager's photo

If a coach or team manager does not have a valid background check then they or a club official with database access can add or update their photo.

If a coach or team manager has a valid background check, then only the club can add or update the photo. This is a Kid-safe measure instituted by GotSoccer in the fall of 2013.

To add or update the photo of a coach or team manager with a valid background check:

Open the Coach or Team Manager's account from the Club tab in your Club's GotSoccer database.
