

DAVID PROCTOR

On June 11th, 2005 the Iowa Soccer Association inducted its inaugural Hall of Fame class. Being recognized for their numerous achievements, accomplishments and contributions to soccer in the state of Iowa were: Ramona Barber, Harry Berting, Jim Cownie, Bonnie Larson, Aaron Leventhal, Michael Nemmers, David Proctor and Bob Wood.

Proctor became involved in soccer first as a parent and then coach of a youth player. In the early 1980's, he became the Secretary for what was then the Iowa State Youth Soccer Association (ISYSA). A devoted Board member who traveled the state to attend countless meetings, his charge in that role was to take and distribute meeting minutes, which he did meticulously. Proctor's motivation was to make sure every child in Iowa had the opportunity to play recreational soccer in their community.
