Concussion Information

A concussion is a brain injury and all brain injuries are serious. All concussions are serious and may result in complications including prolonged brain damage and possibly death if not recognized and managed properly.

A player diagnosed with a possible concussion may return to US Youth Soccer play only after release from a medical doctor or doctor of osteopathy specializing in concussion treatment and management.

It should be noted that state or local laws in the location where the Region III Presidents Cup is being held may be more restrictive than these rules.

For any player diagnosed with a possible concussion, the player (if possible), any parents present at the event, along with a team official, must sign and will be issued the USYS "Possible Concussion Notification" form.

Additional information on the USYS Concussion Protocol can be found at <http://www.usyouthsoccer.org/HealthandSafetyResourceCenter/>

To manage concussions, US Youth Soccer (USYS) mandates that the attached protocol be followed at any USYS event, including the Region III Presidents Cup. A team representative is strongly encouraged to notify all players, coaches, managers, trainers, parents and any other adults associated with their team that the USYS Concussion protocol will be utilized throughout the Region III Presidents Cup tournament, including athletes not being permitted to participate if they are diagnosed with a possible concussion.

Additionally, if a player is diagnosed with a possible concussion in the last game played by your team at the event, the player identification card will be retained and forwarded to the USYS office. Once the player is cleared as per the USYS concussion policy, that clearance should be sent to the USYS office, and the card will then be returned.

Concussion Procedure and Protocol For US Youth Soccer Events

- (1) The attached Concussion Notification Form is to be filled out in duplicate and signed by a team official of the player's team.

Format & Rules of the Competition

Rules of Play: Except as otherwise provided herein, FIFA Laws of the Game shall apply as modified by US Youth Soccer.

Substitutions: Substitutions shall be unlimited and made with the consent of the referee at the following times:

- Prior to a throw-in by the team in possession.
- Prior to a goal kick by either team.
- After a goal by either team.
- After an injury to a player. If the injured player is being substituted for and the opposing team has a player at the half line waiting to sub, a substitution will be permitted on a 1 for 1 basis.
- After a player is cautioned s/he may be substituted.
- At halftime.

Discipline: Players receiving a red card or team officials ejected by the referee must leave the field to a location that is out of sight and sound of the field. Players must be escorted from the field either by a credentialed team official or a state representative, who must remain with the player until the game ends.

Players receiving a red card or team officials ejected from any game shall be suspended for a minimum of the following game. Suspended players may sit on the team bench, in street clothes; suspended team officials may not be within sight and sound of the field where the team is playing. The Region III Presidents Cup committee will review all ejections and may impose additional punishment depending on the circumstances and severity of the infraction.

Tournament Management: All questions relating to the qualifications of competitors, to interpretation of the rules, or any other dispute or protest concerning the Region III Presidents Cup competition, shall be referred to the Region III Presidents Cup Committee. All decisions of the Region III Presidents Cup Committee are final. One appeal to Region III is allowed.

Incident Weather: Region III Presidents Cup Committee decisions regarding weather are final and not subject to appeal. Every attempt will be made to have all matches played. Re-scheduled games may be played under lights in the evening or may be scheduled for early morning, prior to normal starting time at the discretion of the Region III Presidents Cup Committee. Games will continue during rainstorms. Games will be suspended by the referee or the Region III Presidents Cup Committee in the event of unplayable field conditions, hail, tornado, lightning or other condition. In the event of tornadoes or lightning, all players, coaches and spectators should immediately clear the fields and seek shelter in their vehicles. The Region III Presidents Cup Committee will advise participants when it is safe to return to fields.

Re-scheduling attempts will be made as quickly and fairly as possible, considering referee and field availability and the normal progress of the competition. As a final solution, it may be necessary to employ a coin toss to determine teams advancing to semi-final and/or final matches.

The safety of players, referees and spectators is the tournaments primary concern followed by fairness to the affected teams and the orderly flow of competition for the Region III Presidents Cup.

Unfinished Games: Every attempt will be made to complete one-half of a match prior to next scheduled game.

- If at least one-half of a match is completed, the game is official and score stands.
- If one-half cannot be completed prior to the next scheduled game then:
 - The rest of the game may be re-scheduled at the end of the day
 - The rest of the game may be re-scheduled before the start of play on another day of the tournament.
 - The game may be canceled and kicks from the penalty mark will be used to determine a winner. A win will be recorded as a 4-0 win and loss as a 0-4 loss.
 - If circumstances do not permit kicks from the mark, then a coin flip may be utilized to determine a winner.

Schedule: Group play is scheduled on Wednesday, Thursday, and Friday, with Semi finals on Saturday and Championship games on Sunday.

Game Balls: The Region III President's Cup Committee will attempt to supply game balls. The referee will ask each team to provide suitable balls if games balls cannot be supplied. All games will be played using size #5 soccer balls.

Grace Period: Teams not ready to play at the scheduled start time of any match shall be granted a ten (10) minute grace period. At the end of that grace period, the Region III Tournament Committee will make a determination of the next step based on all available information. A minimum of seven (7) players constitutes a team.

Home/Visiting Team: The team listed first in each game pairing is the home team. The visiting team will have choice of jersey colors. If in the opinion of the referee there is a conflict, the home team shall change jerseys.

Technical Area: All players and a maximum of four (4) team officials (i.e. coach, assistant coach, manager, trainer) may be in the technical area. Team officials must have a Bench Pass provided by the Region III President's Cup Committee visibly worn to be on the team sideline. All parents and spectators must be on the opposite touch line.

Uniforms: Each player must wear a uniform with a number on the back of the shirt. Duplicate numbers are NOT permitted. Teams MUST bring an alternate color jersey with a number on the back. No jewelry may be worn during a match. Goalkeeper jerseys are required to have a number.

Scoring: The standings of teams within groups of three or more teams in their respective age divisions are based upon the number of points earned in qualifying games. Teams earn points as follows: Three (3) points for a win (including forfeits, which are considered a 4-0 victory), One (1) point for a tie and Zero (0) points for a loss.

Tie Breakers: In the event teams are tied on the basis of points earned, a teams placement will be determined in accordance with the following sequential criteria:

- Winner of head to head competition (this criterion not used if more than two teams are tied.)
- Winner of most games. The team with the most wins advances.
- Goal differential (goals scored minus goal against) with a maximum differential of four (4) goals per game. (For example, if the game score is 6-1, the goal differential would be +4 for the winner, -4 for the loser. If the score is 2-0, the goal differential would be +2 for the winner and -2 for the loser).
- Fewest goals allowed. The team with the fewest total goals allowed advances.
- Kicks from the penalty mark.
- Coin toss (only if circumstances do not permit breaking of the tie via kicks from the penalty mark).

If more than two teams are tied, the sequence above will be followed until a team is eliminated. In a situation where three teams remain tied, a draw between tied teams will be conducted by the Tournament Committee to determine an order of contest between tied teams. The first team drawn will receive the bye; the next team drawn will be the home team against the remaining team in the first contest of kicks from the penalty mark. The winner of the first contest will then compete against the bye team in kicks from the penalty mark to determine the winner. The bye team will be the home team.

Eleven players from the roster of the final game will be selected by each coach to participate, and a referee will be assigned to break the tie on a field assigned by the Region III Presidents Cup Committee.

Length of Games: All games in the Region III Presidents Cup will be full length for the appropriate age group. Preliminary games may end in a tie. U13 & U14 groups play 35 minute halves, U15 & U16 groups play 40 minute halves, and U17 groups play 45 minute halves.

Semi Final pairings: Winner of Group A vs. Wildcard
Winner of Group B vs. Winner of Group C

If the Wildcard comes from Group A, the Semi Final pairings will be changed to:

Winner of Group A vs. Winner of Group C
Winner of Group B vs. Wildcard

Semi Final Matches: If a semifinal match is tied at the end of regulation play, teams will go straight to kicks from the penalty mark.

Final Matches: If a final match is tied at the end of regulation play, 2 complete 10 minute overtime periods will be played to completion. If the game is still tied at the end of the second overtime period, kicks from the penalty mark will be used to determine the winner.

Protests and Appeals

All questions relating to the qualifications of the competitors or interpretation of the rules, or any dispute or protest shall be referred to the Region III Presidents Cup Committee. Judgment decisions of the referee are not subject to any form of appeal or protest.

Protests: To be valid and eligible for consideration, any protests relating to the ground, goal posts, crossbar or other appurtenances of the games shall be entertained only if a written objection has been lodged with the referee and the opposing coach prior to the start of the game.

All other protests must be filed with the Region III Presidents Cup Committee or the appropriate State Representative and include:

- A fee in the amount of \$300.00. This fee may be in cash, cashier's check or money order.
- Personal checks will not be accepted. Cashier's checks or money orders must be made payable to US Youth Soccer Region III.
- Ten written copies of the protest, which must include full particulars of the grounds on which the protest is lodged.

For protests regarding non-game situations, all protests must be received by the Region III Presidents Cup Committee or appropriate State Representative within two (2) hours of completion of the last game in the bracket or division in question, whichever is latest.

A plea of ignorance to the rules and regulations of the Region III Presidents Cup is not sufficient grounds for protest. Judgment decisions of the referee are not subject to any form of appeal or protest.

Upon receipt of a valid protest, the following procedure will be utilized:

- The Region III Presidents Cup Director will appoint a Hearing Committee who shall immediately upon the receipt of a protest notify the team against which the protest is made and shall give a copy of the protest and all particulars to that team, which will then have the right to defend its case, with or without witnesses.
- The Hearing Committee shall compile the necessary information to hear the protest, from all available sources before the protest is heard. This shall include, if possible, coaches, field marshals, referees, assessors, witnesses if necessary, etc. All materials will be treated with confidentiality.
- After compiling the necessary information, the Hearing Committee will meet to conduct the protest hearing. The decisions of the Hearing Committee shall be binding on all parties.
- The Region III Presidents Cup Hearing Committee will notify all parties of its decision.

Appeals: The decisions of the Region III Presidents Cup Committee or the Presidents Cup Hearing Committee may be appealed to the Region III Appeals Committee. The appellant shall bear the burden of showing that the decision being appealed is clearly erroneous. No new evidence may be presented to the Region III Appeals Committee unless circumstances have materially changed, or new facts are discovered that were unavailable at the time of the original hearing.

An appeal must be filed with the Region III Appeals Committee or its representative within two hours of notification of the Hearing Committee's decision and include:

- A fee in the amount of \$500. This fee may be in cash, cashier's check or money order.
- Personal checks will not be accepted. Cashier's checks and money orders must be payable to US Youth Soccer Region III.
- Ten written copies of the appeal.
