

**Eligibility for Camp/ Selection Process**

To be eligible for Region IV Girls ODP camp you must receive the invite letter to camp from the Regional Administrators. That invitation will come based on your having attended the 2014 Region IV ODP Championships, or having been identified at one of the Sub Regional events held throughout the spring/early summer. **If you are invited to camp you cannot be named to the Regional team or selected for Inter-Regional trips unless you are participating in your State ODP program.**
