

## **Desert Premier League Roster Freeze**

The Far West Regional League Desert Premier Division roster freeze date for the core team (before club pass players) is close of business on the Wednesday before your first league game. Your Desert Premier roster is your state association roster – at close of business on that Wednesday. Your DP roster should match your state association roster that day. Any player added to your team after that Wednesday is a club pass player for Desert Premier purposes, even though they may be on your subsequent National Championship Series roster or the roster for your league play.

Specifically, DP rosters are frozen as follows:

- 1) Please get your rosters into the computer as soon as possible with pictures loaded into the system.
- 2) If your roster is correct in the computer, then that is your frozen DP roster and you don't need to do anything else. We will print a hard copy, and any subsequent roster additions for your team are counted as club pass players for the remainder of the Desert Premier season. Any players added to the roster subsequent to the roster freeze date count as club pass players for any DP game that they participate in.
- 3) If your roster is not correct in the computer on the roster freeze date, then please scan and email a copy to Marley Wilson at [commissioner@desertpremier.com](mailto:commissioner@desertpremier.com). Any players added to the roster subsequent to the roster freeze date count as club pass players for any DP game that they participate in.
- 4) If the player is permanently rostered to your team after the roster freeze date, then the player still counts against your club pass player maximum in any game in which they play. The roster on the roster freeze date is the "team" and any other players are club pass players. If, for example, you add 6 new players to your permanent state association roster the week after the roster freeze date, then only five of those players may be on the game roster for any given ND game, because only five club pass players are allowed.
- 5) Please study the club pass player rule posted on the home

Please follow these instructions to generate your team's roster for the 2016 Desert Premier League.

For teams in: Arizona, Colorado, and Nevada:

1. Register your team with your club/state association. Your state roster will automatically feed into the Desert Premier League.
2. Select the Desert Premier League from the drop down list and hit the generate roster

The screenshot shows the GotSoccer website interface for a team named 'Boys U11 Gunners'. The page title is 'Boys U11 Gunners - Team Player List and Rosters'. A dropdown menu labeled 'View by Event:' is set to 'Desert Premier League (8/1/2015)'.
