

### **ODP Training Centers- 05-08 Boys & Girls**

The primary purpose of these centers is to provide training and play in a developmental situation. The activities will be designed for the players according to their age and ability levels. The sessions also allow us to get a 1<sup>st</sup> and/or 2<sup>nd</sup> evaluation of the players that are to be included in the FYSA ODP State Pool event. The FYSA State Staff coaches will staff these sessions. Players should bring a ball, water and their soccer gear to the center. The center will be 2- 2 1/2 hours in length and will include training and games. Players please see [About ODP](#) for more information.

### **Cost and Registration:**

The early registration fee is \$50 for all 3 training centers, whether you attend one, two or all three. Please click [HERE](#) for registration link.
