

**The 2019 FYSA State Cup** has partnered with [Trace Soccer](#) (Formerly StreamSports) for video and player performance. Trace films using an automated camera from an elevated height to provide the optimal view for players, coaches and recruiters. In addition to game film, teams will receive Automated Player Moments and Individual Player Stats which can easily be shared with friends and family.

All Trace equipment will be shipped directly to your home prior to the event. Once you've uploaded all of your footage to the cloud after the event, you can easily ship your equipment back to us or upgrade your package to a Choice or Elite Subscription! *Game Film Packages must be pre-booked.*

[Click here to see all of the Trace packages](#) being offered for **The 2019 FYSA State Cup**.
