Rules and Regulations

I. Eligibility

1. This competition is governed by the United States Youth Soccer Association National Championship Rules. In the event that an issue arises that is not specifically covered by these Eastern Pennsylvania State Cup (NCS) rules, then the USYS NCS rules shall be used to resolve the issue.
2. Only Eastern Pennsylvania Youth Soccer affiliated teams will be accepted into the Eastern Pennsylvania State Cup. The team roster must consist of at least 50% of players that reside in Eastern Pennsylvania.
3. Teams may enter only one (1) cup competition per seasonal year. Players may play for only one team and in only one cup competition--the Eastern Pennsylvania State Cup (NCS), the Presidents Cup, or the EPYSA Challenge Cup.
4. Teams applying for cup competition must compete in a minimum four (4) team approved league during the current seasonal year affiliated with Eastern Pennsylvania Youth Soccer, the US Youth Soccer Regional League or the US Youth Soccer National League, or with Eastern Pennsylvania Youth Soccer's permission in another State Association. For teams playing in late winter or spring leagues, the team must have played at least one (1) league game prior to the start of the cup competition. The team must complete their full league schedule.
5. All cup team rosters are restricted to the official team roster approved in the state online registration system as of the approved Eastern Pennsylvania Youth Soccer Roster Freeze (See www.epysa.org) date. Your League Registrar Roster Freeze date may vary. All roster changes must be executed and dated by an approved League Registrar by close of the specified Roster Freeze. **There are No Exceptions!** After the roster freeze date no roster may be altered for spring league play by any team competing in the State Cup (NCS) until their cup competition is completed.

6. The maximum number of players permitted on a roster at any one time is shown below:

U12 (9v9 only)	16 Players
U13-U17/U18 (11v11)	22 Players

The players not eligible to play may wear street clothes but they may not wear the team uniform. If an eligible player gets injured during the game, none of the 'ineligible' players may change their status and become eligible and dress for the game in progress.

7. Teams are permitted five (5) transferred players from their original league roster during the seasonal year.
8. U11 teams playing in any divisions of approved leagues are not U12 Cup eligible. To be eligible and to play in the U12 Cup there must be nine (9) age-pure U12 players on the original league approved roster.

10. For Region 1 Premier League teams that will participate in the Eastern Pennsylvania State Cup (NCS) May and June Cup competition, the roster for the Eastern Pennsylvania State Cup will freeze at the Eastern Pennsylvania Youth Soccer designated date for their respective playing dates. Once rosters are frozen, no changes may be made to the roster until they have completed their League play and Eastern Pennsylvania State Cup NCS play and are eliminated from eligibility for advancement to USYS NCS Region 1 competition. Also please note that any players released from a team in the Premier League after the appropriate freeze date, are also considered 'frozen' and cannot be added to another team's USYS National Championship Series roster, Presidents Cup roster, or Challenge Cup roster in this seasonal year.

For teams that are using the Colonial League to qualify for state cups, rosters freeze on the date designated by Eastern Pennsylvania Youth Soccer as per www.epysa.org for entrants in the Spring State Cup Competition. B. Referees

1. All games will be officiated under the three (3)-referee system: one (1) referee and two (2) assistant referees. Teams must play even if less than three referees are at the game. If the full official contingent does not appear, the game will be played with the available personnel using the following system:

2 Referees: 1 Center Referee, 1 referee as an AR, 1 Volunteer Linesperson (referee's discretion)

1 Referee: 1 Center Referee, 2 Volunteers for the lines ()

A two-whistle or three whistle system is not authorized in the Eastern Pennsylvania Youth Soccer State Cup (NCS), Presidents Cup, or Challenge Cup competition.

2. **If the referees do not show you must still play the game. Do not leave until you reach Frank Olszewski (484-241-0985) or Dave Ash (215-932-4347). Teams leaving without talking to one of these individuals will forfeit the game.**
3. Each team is responsible for paying one-half of the appropriate referee fees (in cash) for all games except the finals. Eastern Pennsylvania Youth Soccer will pay the referee fees for all final games.

Referee Fees – Three Referee System

2016-2017 Seasonal Year					
Age	Referee	AR1	AR2	Total	Per Team
U9*/U10*	\$34	\$19	\$19	\$72	\$36
U11 ⁺ /U12 ⁺	\$43	\$31	\$31	\$105	\$52.50
U13/U14	\$49	\$35	\$35	\$119	\$59.50
U15/U16	\$57	\$39	\$39	\$135	\$67.50
U17-U19	\$64	\$45	\$45	\$154	\$77.00
* = 7v7	⁺ = 9v9				

Each team pays HALF of the total referee fees for each game EXCEPT for the Cup Finals. Eastern Pennsylvania Youth Soccer pays ALL CUP FINAL FEES.

If less than 3 referees are present at the game, teams only pay the fee for each official present and only for their assigned role in the game. If a referee not assigned to the game fills in for a missing official they are to be paid for the role that they fulfill for the game.

You only pay referees that show up to your game (3-Man System). If one of the Assistant Referees does not show up, the teams keep that portion of the referee payment. If there are only two referees present from a 3-Man Crew, the referees will not officiate in a '2-Man' configuration (such as PIAA), they will officiate as a Middle Referee and an Assistant Referee. The referee at his/her discretion may request a Club AR but the Club AR has no true authority and are only providing secondary assistance to the Middle Referee. The Club AR is not required to be paid.

If a Middle Referee is running a 1-Man System, he/she may request Club Linesmen, however, the Club Linesmen are merely responsible to signal 'out of bounds' only – no direction, or possession indication or offsides. Club Linesmen have no authority and are only providing secondary assistance to the Middle Referee.

If the referee (one referee) shows up late but within the first half he/she should still be paid the full referee fee. If the referee gets there at halftime pay the referee ½ of the total fee. If a non-referee officiates a game through halftime or completely through a game, the teams may decide if they wish to pay that individual or not. Teams are not required to pay non-licensed referees.

If a referee is not notified in adequate time of a change of venue, time change or a cancellation due to weather or unforeseen circumstances, the Middle Referee – or Middle Referee and Assistant Referees are to be paid the full fee by the HOME TEAM. If a team shows for a game and the opposing team forfeits by a no-show, the team that shows does not pay the referee any fee. The referee will receive the fee at a later date

If a game is canceled by the referee at the field site prior to the start of the game for unplayable conditions, each team pays the referee one-half (1/2) the regular fee.

Once the game has started, if the game must be called (abandoned) due to weather, field conditions or other Force Majeure, the entire fee must be paid.

If a team shows for a game and the opposing team forfeits by a no-show, the team that shows does not pay the referee any fee. The referee will receive the fee at a later date from the team that forfeited (No Show).

C. Elimination Rules

All Eastern Pennsylvania State Cup (NCS) 11v11 games will be single elimination. A team that loses in any of the NCS age groups has completed the Eastern Pennsylvania State Cup competition.

D. Scheduling

1. The Home team and game schedule is determined by the Cup Committee Chairperson and the State Office Staff.
2. Games must be scheduled (a time and field has to be put into the online system) by Tuesday at 12:00 PM Noon of the week leading up to their for weekend game. If a Cup game is scheduled for a week night the game must be in the system 4 days before the scheduled date of the game. Failure to schedule the game may result in the State Office scheduling the game to ensure referee availability and could also result in a \$25 Game Change Fee – to one or both teams.
3. Game changes (time and/or location or date) after Tuesday 12:00 PM Noon of the week of the game will result in a \$25 game change fee to the responsible team(s). This fee can be waived in extenuating circumstances (as deemed by the Cup Competition Director, Cup Commissioner or the Director of Operations.
4. If after the schedule is published, both teams in a game wish to play the game before the scheduled date, they must agree on a date, time, and location and then both coaches must advise the Eastern Pennsylvania Youth Soccer office of the proposed change (at least 4 days in advance) for approval. The teams must submit a request for change with the all of the pertinent details as required and Eastern Pennsylvania Youth Soccer will advise the teams of the decision. The reschedule will be contingent upon the availability of fields and referees for the proposed change. Eastern Pennsylvania Youth Soccer always reserves the right to decline a requested schedule change.
5. If one team wishes to play early and the other team does not, the request to change the schedule can be sent to the Cup Committee Chairperson 7 days in advance for consideration. The decision of the Cup Committee Chairperson on any schedule changes will be final and cannot be appealed.
6. Additionally, the Cup Committee Chairperson, Eastern Pennsylvania Youth Soccer CEO, and/or EPYSA President may exercise discretion to change a game time or date if the participating team will be missing players due to regional and/or national team commitments.
7. To accommodate the three (3) referee system and ensure availability of officials, it may be necessary to change home field advantage to Home 'AREA' advantage. The Cup Committee is the sole authority in determining field locations.

8. The Cup Committee may also designate a common competition site for all or part of an age group in the Eastern Pennsylvania Youth Soccer National Championship Series.
9. All games must be played by the scheduled date and time unless there is approval by the Cup Commissioner, Competition Director.
10. If the two teams request and receive approval to reschedule a game the burden for completing the game is the responsibility of the two teams. If the game is not played before the day of the next round of the competition the game will be declared a double forfeit and neither team will advance to the next round. The scheduled opponent in the next round for the two forfeiting teams will advance as a result of the double forfeit.
11. Coaches who coach multiple teams must recognize that Eastern Pennsylvania Youth Soccer cannot accommodate requests to be able to attend all of the games for all of their teams which occur on the same date. Coaches should be prepared to have alternate carded coaches available to cover their teams in the event that the Eastern Pennsylvania Youth Soccer schedule does not allow them to attend all of their team's games.
12. The Cup Committee reserves the right to revise the schedule after it is published.
13. Region 1 Premier League and Colonial League games will be played on several days concurrent with the Eastern Pennsylvania Youth Soccer NCS, Presidents Cup, and Challenge Cup competition matches. Eastern Pennsylvania Youth Soccer State Cup, Presidents Cup, and Challenge Cup games for teams participating in either of those leagues will have their cup game on Sunday if they have a Saturday Premier League or Colonial League game the weekend scheduled for Eastern Pennsylvania Youth Soccer NCS, Presidents Cup, or Challenge Cup play.

E. Fields

1. Preparation of the field is the responsibility of the home team. If it is a home area game, the home team is still responsible for the field. Proper lining, goal nets, and corner flags are required for all fields. Protests made in regard to field conditions must be made prior to the start of the game.
2. Teams can have home and away games in the Cup competition. It is the responsibility of **BOTH** teams to contact each other to ensure that both teams have the correct game time, game location, directions and uniform color.
3. Field changes may carry a fee of \$50 if changed to the opponent's field and an additional \$50 if changed to a neutral site. Fees will be waived if the field change is due to extenuating circumstances (as deemed by the Cup Committee, Cup Commissioner or Cup Competition Director).
4. Coaches and players from both teams should be on one side of the playing field. Spectators from both teams shall remain on the opposite side of the field from the teams/players/coaches.
5. All Eastern Pennsylvania Outdoor State Cup games must be played on Outdoor fields. No indoor or domed facilities may be used for Outdoor Cup games. Any game played on an Indoor or domed field will be declared a double forfeit as both teams are responsible to ensure that all games are played on outdoor fields.

Examples of the rule are presented below:

3.2.3 If a player is substituted during Overtime they may not re-enter the game at any time and cannot participate in penalty kicks if they are required.

- 3.2.4 Substitution is defined as when a player leaves the field of play and is replaced by another player from the bench.

If a player receives a direct red card or two yellow cards in a game or receives their 3rd yellow of the competition, they cannot play in at least their next scheduled game. Whether you are notified by a Cup Administrator or not, any player receiving a direct red card or a 3rd accumulated yellow card from the same competition, under no circumstances should that player participate in their next game! Non-compliance with this policy would result in a player being deemed 'ineligible'.
3. Any unserved suspensions for Red cards or accumulations carry over into Regional Competition or into the following year's cup competition (regardless of Cup entered – NCS, Presidents Cup or Challenge Cup) if your team does not advance to Regionals.
4. Referees are NOT to retain player passes or coaches passes for send offs/suspensions and send them to the State Office.
