

Eastern Pennsylvania Youth Soccer Fair Play & Respect Program

UNIFORM PATCHES

To help reinforce values of good sportsmanship, Eastern Pennsylvania Youth Soccer is once again offering a patch program for all its clubs. Clubs can choose “Fair Play” or “Respect” patches to display on their uniforms or shorts.

Eastern Pennsylvania Youth Soccer will cover the costs of the patches as well as shipping.

Interested clubs can order patches—either Fair Play, Respect or both—below. There is no limit to the amount of patches clubs can request, although Eastern Pennsylvania Youth Soccer kindly requests that all patches get used. Orders will be collected throughout the spring and summer with the intention of having patches on uniforms prior to the start of the 2018-19 season.

Please contact Krissy Woods, Director of Marketing and Events, at kwoods@epysa.org to have patches delivered to you.
