- Rain dates are to be preferably played the Sundays following each of the scheduled dates. They can also be arranged on an open weekend. It is the responsibility of the host club to reschedule rain dates however it is not required to make them up.
- Clubs are free to organize their own play dates or scrimmages during Non-KYSA scheduled dates but you must inform the State Technical Director at adrianparrish@kysoccer.net.

- We encourage clubs to borrow or share players from other clubs to get more players playing the games if one team is short numbers!!
- 1 referee per field- No Offside- Obvious offside may be called for repeated infractions.

- Regular Throw-Ins, if a foul throw is committed the player is allowed a second attempt. If a foul throw is committed on the second attempt the throw-in is awarded to the other team.
- On a goal kick the opposing team's players must be outside their own half of the field until the ball is in play.
- Players are prohibited from deliberately heading the ball during competition & training.
- An indirect free-kick will be awarded to the opposing team at the spot of the infraction if a player deliberately heads the ball during a game.
- If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.
- Goalkeepers are prohibited from punting the ball.
- If the Goalkeeper punts the ball an indirect free kick shall be awarded and should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.
- Modified FIFA Laws of the Game will govern each match.
