4 Corner Shooting:

In 15Wx20L yard grid with cone goals at each end, players of the same team are placed by the corner cones of the goal they are defending. Half of the team is in a line at one cone and the other half at the other cone. The coach is standing outside and in the middle with all the balls. The game starts when the coach serves the ball onto the field and the first player at each cone comes in play. Players need to get off the field quickly and get back in line after a goal is scored or the ball goes out of bounds.

ACTIVITY VARIATIONS

- Round 1: Start with 2v2 games
- Round 2: Coach can add more players to the game as his/her discretion
