CAPTURE THE BALLS:

In a 15Wx20L grid with a small square in each corner. Players should be divided into equal teams to play in a grid with each team's home in the corners. Soccer balls are in the middle of the grid with all players starting inside their home bases. On the coach's command, the players each get one ball (with their feet). They try to dribble into their home base. Once all the balls are out of the middle, players can steal soccer balls from their opponent's home bases and take them to their home. Coach: Call time and each team counts the balls they have collected.

ACTIVITY VARIATIONS

- Round 1: Players go to middle and retrieve their own ball (feet only) as fast as they can

The coach passes a soccer ball to one of the lines. The first player in each of the 3 lines enters the field. (2v1). The 2 attackers must enter the zone before shooting at goal.

In 15Wx20L yard grid with an goals at each end, split players into 2 teams, with players start in corners of the playing area, next to the goal they will defend. The coach will start on the sideline with all soccer balls. When the coach serves the ball onto the field, one player from each corner comes out to play a 2v2. The game is over when one team scores by dribbling the ball through the goal. If the ball goes out of bounds. Players need to get out of the field quickly and get back in line. Rotate which team is served the ball first.

ACTIVITY VARIATIONS

- Coach can choose to add Bonus points. some examples include:
- Add a time limit for extra points (10 goals if you score before 10 seconds are up)
- Number of passes before scoring equals the goal point score. IE. 4 passes then a goal = 4 points
