

Checking Referee Status

Teams can now check to see if referees have been assigned to their OSSL, State Cup, or MRL game.

To check your game's referee status:

1. Go to the following website: <http://www.thegameschedule.com/ohiosouth/>

The screenshot shows the website interface for checking referee status. It includes sections for Referee Login, Assignor Login, and League Admins. The League Admins section has a date field set to 2014-03-27 and a dropdown menu for complexes. A 'Show Games' button is highlighted with a red arrow. A large red arrow points from the 'Show Games' button in the screenshot to the game schedule table below.

2. Under League Admins, enter the date of the game. Also enter the location of the game. Click the Show Games button.
3. The system will show what games have been entered for that date and if the referees have been assigned. "SL" signifies State League games.
