

Email Blast Sent 03/28/2018

Some important reminders and clarifications for State Cup teams:

1) **Ref request forms for self schedule Round Robin games must be submitted by April 7th.**

If you play the winner of a prelim game, please email us with the dates/locations you have worked out with both teams, but wait to submit the ref request form until a winner is determined.

2) We have set up the text alerts for the tournament. There is one alert for games at Warrior and a separate one for games at VOA. **Please start having your parents subscribe now. We will send out reminders every once in a while through the VOA system to remind people to purchase parking passes online in advance.** This will keep you from having to constantly hound your parents!

For Warrior, please text STATECUPWARRIOR to 41411.

For VOA, please text STATECUPVOA to 41411

[Parking Permit Instructions](#)-Please forward to parents and we will send reminders through the text alert for you.

3) Please make sure you communicate with your club on potential club pass players. **Players may only play for one State Cup and/or Presidents Cup team.** We do not have a way to flag players who show up on multiple rosters. This is up to teams and club to verify and we do not want teams to run into any forfeit issues. If you have any questions on club passing for State Cup, please contact the Ohio South office.
