[ODP News & Information](#)

As a reminder, all players within an age group are scrambled and assigned to one of four (4) teams;

- Team Glaze
- Team Hauter
- Team Wall
- Team Wood

Participating Age Groups are as follows;

2001 Boys	2001 Girls
2002 Boys (Older)*	2002 Girls (Older)*
2002 Boys (Younger)*	2002 Girls (Younger)*
2003 Boys (Older)*	2003 Girls (Older)*
2003 Boys (Younger)*	2003 Girls (Younger)*
2004 Boys (Team 1 & 2)**	2004 Girls (Team 1 & 2)**
2005/06 Boys (Team 1, 2 & 3)***	2005/06 Girls (Team 1, 2 & 3)***

*Older is comprised of January - June birth months. All players are assigned from a blind scramble

*Younger is comprised July - December birth months. All players are assigned from a blind scramble

**Team 1 & 2 are NOT split by grades or ability. All players are assigned from a blind scramble

***Team 1, 2 & 3 are NOT split by grades or ability. All players are assigned from a blind scramble

We are obviously emphasizing the blind scramble aspect of assigning players as both parents and players get concerned that they have been pre-assigned to a team based on ability.

Do I receive a copy of my evaluation?

Due to the large number of players, there are no formal evaluations given to players for Phase 1 or Phase 2. All players will receive an evaluation if they are selected for the State Pool (Phase 3). If a player voluntarily quits the program or does not show for required training sessions, he/she will not receive an evaluation.
