ODP Players and Parents,

Just a quick email in preparation for this weekend's ODP District Festival. Activities will be held at Hobson Freedom Park. The facilities address is:

Hobson Freedom Park  
2910 Trebein Road  
Fairborn, Ohio

We are asking that you enter the park through the front entrance (off Trebein Road) and exit the facility through the rear gate. Please refrain from dropping players off in the drive, as this creates a safety hazard for the players.

## **Schedule and Team Assignments**

The ODP schedule and teams assignments are posted on the Ohio South website under the ODP tab. Please make sure to check the schedule for any changes or updates. A link to the Master ODP Schedule and team assignment is provided below:

## **Where to Go and What to Bring**

When you arrive at the fields, the players will need to report to the ODP Administrative Tent and check-in with the ODP Administrative Staff before each game. All players should be wearing their previously issued ODP T-Shirt. If you do not have your ODP numbered shirt, we will provide a label with your number on it to apply to the back of your shirt. Once you check-in with the administrators they will direct you to the playing fields. Traffic may be heavy so please allow sufficient time for travel.

## **Commitment Form (online)**

All players in the 2001 – 2007 age group that wish to be considered for State Pool (Phase III) will be required fill out the commitment form that will be posted on the ODP News and Information page. Please read the form carefully before submitting. Please note, that only those players who answer that “yes” they will commit to attending the sub-regional events will be considered for State Pool selection. This form will not be available until after the District Festival and a separate email and text will be sent once posted.

## **Game Format**

The format for the games is designed around a "Street Soccer" environment...meaning substitutions will occur during the flow of the game, keepers are not permitted to punt the ball, and all "throw-ins" will be "kick-ins". The coaching staff will be utilizing the Position Numbers and Player Profiles that was introduced to the players during the Phase I District Training.

## **What if I am Unable to Attend?**

If you are unable to attend the ODP District, please complete the ODP Phase II Absence Form. We understand that players are going to have commitments that may prevent them from attending a game or the entire weekend. If a player is unable to attend the ODP District Festival, then they will be evaluated based on the November, 2017 training sessions.
