

ODP Players and Parents,

Just a quick email in preparation for this weekend's ODP District Festival. Activities will be held at Hobson Freedom Park. The facilities address is:

Hobson Freedom Park
2910 Trebein Road
Fairborn, Ohio

Where to Go and What to Bring

We are asking that you enter the park through the front entrance (off Trebein Road) and exit the facility through the rear gate. Please refrain from dropping players off in the drive, as this creates a safety hazard for the players.

When you arrive at the fields, the players will need to report to the ODP Administrative Tent and check-in with the ODP Administrative Staff. All players should be wearing their previously issued ODP T-Shirt. 2001-2004 birth year players should also bring a signed copy of the ODP Commitment Letter. A link to the commitment letter is provided below:

[ODP Commitment Letter](#)

Once you check-in with the administrators they will direct you to the playing fields. Traffic may be heavy so please allow sufficient time for travel.

Commitment Letters

All players in the 2001 – 2004 age group that wish to be considered for State Pool, please make sure to fill out and hand in your commitment letter when you check-in. Please read the letter carefully before signing and turning in this weekend. Please note, that only those players who turn-in a signed commitment letter will be considered for State Pool selection.

Game Format

The format for the games is designed around a "Street Soccer" environment...meaning substitutions will occur during the flow of the game, keepers are not permitted to punt the ball, and all "throw-ins" will be "kick-ins". The coaching staff will be utilizing the [Position Numbers and Player Profiles](#) that was introduced to the players during the Phase I District Training in November 2015.

For additional information, please visit the Ohio South website at www.osysa.com and click on the ODP tab. The Festival teams and schedules are posted on the ODP News and Information page.

We wish everyone the best of luck! See you on the Fields!!
