OSYSA Risk Management

- Jeff Rossi – OS Board member, Risk Management Coordinator
- Jim Sturm – OS Board member, Chairman Risk Management Committee
- Steve Wood – OS Risk Management Administrator

Why do Volunteer Background Checks?

The benefits of comprehensive volunteer background screening include:

- Ensure that our players are SAFE and decrease organizational risk
- Compliance with legal requirements per OSYSA, US Youth Soccer, State of Ohio
- Discourage applicants with undesirable profiles who are trying to hide something or be dishonest.

Who Needs to Submit a Background Check?

- Coaches
- Volunteers
- Anyone aged 18 or older that may on a regular basis have unsupervised access to a child¹
- Board Members

THANK YOU to the 110+ schools who checked out our first two games of the Disney Boys Showcase. (2-0 win, 1-1 draw in the top division). This is an impressive group of D1-D3 soccer programs and academic institutions. We've got one more: Sunday 6:30pm field 30. See you there? 🙌👉

What is GIGO?

Garbage In, Garbage Out

GIGO

- Name (must be legal name)
- No aliases or nicknames (Bob, Bill) or names you are known by (Chip)
- DOB must be accurate
- SSN – misconception about submitting your SSN

Verification of RM Status by League

The screenshot displays the U.S. Soccer Connect web application interface. The main content area shows a table of referee background check statuses. The table has columns for AssocID, Organization, RegEvent, RegCat, Team, BG Check, and a set of icons. The 'BG Check' column is circled in red, and the first row shows 'Cleared'. The table is filtered by 'Abuse Prevention' and 'Color Codes'.
