For Immediate Release:

### **Governors and Presidents Cup Rescheduled Games**

The Ohio South Office has completed the rescheduling of the 184 games impacted by weather this past weekend – May 3, 4 & 5.

Every attempt was made to keep the overall block schedules the same, but the locations have changed due to the availability of fields. We were however, able to keep everyone on schedule with the advertised weekends.

Round Robin Rescheduled games will now occur on May 17, 18 and 19 (originally scheduled dates for semi finals and finals weekend). Age groups that did complete all of their round robin games will stay on schedule for semi finals and finals that weekend.

All other age groups will move to the scheduled rain date weekend of June 1 and 2 for Semis and Finals. That exact schedule will be updated at a later date.

The revised schedules can be found here (be sure to refresh your browser):

[Presidents Cup Schedule](#)

[Governors Cup Schedule](#)

We will update Field Map and Location info on both the Presidents Cup and Governors Cup pages in the next few days. We wanted to prioritize the schedules and get those out as soon as possible. Please note that any games at VOA will require a parking permit. Info for purchasing can be found [here](#).

As always, weather and field conditions may cause changes to fields. Accordingly, all teams are strongly encouraged to sign up for OSYSA Text Alerts regarding weather, field changes, etc.

**Text PRESCUP TO 41411**
