

Informational Email Sent to Teams on 2/28/18

Dear Presidents Cup Team,

We are looking forward to a great tournament and we hope you are too!!!

Presidents Cup Schedules

We have now posted the Presidents Cup Schedules. The Round Robin weekend will occur May 4th through 6th and those games are all finalized as scheduled. For any teams who have a game listed on March 1st, that date is only a placeholder for your self schedule game. That date will be updated once you schedule that game with your opponent. More information and instructions will be sent shortly to any teams who have a self schedule game.

Paperwork

All teams will receive an email from SportsForms with instructions on how to submit your event roster for Presidents Cup. The email will be sent the week of March 5th. Teams whose first game is on the Round Robin weekend will need to submit your event roster for approval by no later than April 26th. Teams who have a self schedule game prior to the Round Robin weekend will need to submit their event roster a minimum of 3 business days before your self schedule game. After your event roster has been approved, you will receive an additional email from SportsForms to go in and electronically sign the event roster.

Referee Game Report

The finalized approved event roster for both teams will automatically be printed on all referee game reports. The referee game report will be used to record the score and to check player cards against the players approved for the event. Ohio South will provide all referee game reports for the Round Robin weekend. Teams with self schedule games will be emailed a copy of the referee game report prior to their game that will need to be given to the referee. Teams will need to bring all player and coach cards to every game.
