# USA Ultimate Says...

“I really like using the new scoreboards. Lightweight, highly visible, weather resistant, and durable. They give tournaments a more professional look than previous versions. The name plate on the bottom is perfect for selling to vendors.”

Byron Hicks USAU

# Japan Ultimate

This scoreboard shows the scores, which is the essential things in sports games, clearly and beautifully.

- Players recognize what they have been accumulating and motivated to the next every time they glance at.
- Spectators changes their emotion every time they see the score increased.
- Organizer are able to grab what is going on in the fields every time they see easily.
- National Federation are able to promote Ultimate itself as smart and emotional every time the scoreboards are shown.
- Even a scoreboard can change our sports.

# Rival Scoreboards

Affordable – Cost effective

Readable – Can be seen for other side of field

Durable – can be treated somewhat harshly

Variable – works for scores to 19 or 99 – great for advertising

Portable – lightweight weight, can carry multiple across fields

Stackable – transported stacked on end or flat stacked

Transformable – Multi Sport Use – Soccer, Lacrosse, Field Hockey, Ultimate Frisbee

# Rival Scoreboards

Affordable – Cost effective

Readable – Can be seen for other side of field
