

Round Robin Referee Scheduling Deadline Reminder  
Emailed 3/19/2019

This is a reminder that the deadline to submit the referee request for your State Cup Self Schedule Round Robin game is today! The home team should be submitting the request but we are copying both teams in case you have not finalized with each other.

**Important: Please take a screen shot of the request after you submit and save for your records.** We have had many requests submitted that are not getting through cyber space to our office or the ref assignor.

Within 48 hours, teams should double check both the State Cup schedule and the Online Referee Scheduler. If your game does not show up on one or both of those lists, please email your screenshot to [office@osysa.com](mailto:office@osysa.com) so we can enter the missing info or forward it to the appropriate assignor.

If you are playing the winner of a Preliminary/Play in game, please email [office@osysa.com](mailto:office@osysa.com) with your date, time and location you have scheduled with each opponent. You will submit the referee request after the winner has been determined, but the game info is still due into our office.

We will not start hounding teams until Thursday morning so that will give you an extra day or so to get your ref request form in.
