

State Cup Round Robin Weekend Email Sent 5/8/2018

Hello All,

We are looking forward to a great weekend of soccer!

Important Items:

Please have your coaches, admins, and parents sign up for the text alerts! We have a potential for storms on Sunday and want to make sure we can reach everyone quickly. Not everyone signed up last weekend at Presidents Cup, and therefore they didn't have the notification when we were delayed and ultimately cancelled at the end of the day. The text alert system is the best way to get info out to all! The codes are below:

Warrior: Text Keyword STATECUPWARRIOR to 41411

VOA: Text Keyword STATECUPVOA to 41411

[Warrior Road Closure and Field Map](#)—Please make sure this is sent out to your team parents. Fishburg is closed right past the park so please see map and directions below on the traffic flow! (It is a 3 page document.)

[VOA Field Map](#)—Everyone must have a [parking permit](#) to enter the park. Hopefully parents already took care of this! We also had to make some minor field number changes at VOA. Please recheck your schedule.

Ohio South will have the game cards printed for all games this weekend, and we will give directly to the referee crews. Teams will not be emailed game cards. Teams will need to bring all Player and Coach Cards. If you have a player who gets a red card or a coach who is sent off during a State Cup match, please make sure the coach or team manager comes to the HQ at the site to sign an updated player/coach eligibility form.
