

All vehicles entering a MetroPark must have a Motor Vehicle Permit that is either a daily (\$5 – non-resident) or an annual (\$10-non-resident and free for residents of Butler County). Please note that Motor Vehicle Permits are non-refundable.

A few ways that Non-Residents can purchase the permits before the event are:

1. Online at <http://www.yourmetroparks.net/about/motor-vehicle-permits> . They can purchase these anytime and once purchased we will mail out the permit to them immediately. If they happen to purchase them online and do not have the permit yet via mail they can print a copy of their receipt and show that along with their ID at the game upon entering the park. They will not receive a pass at that time due to one had already been sent via mail but they will be permitted to enter the event with that proof.
2. They may visit the MetroParks Administrative Office at 2051 Timberman Road Hamilton, OH 45013, Monday-Friday between 8:30am-5:00pm to purchase a permit
3. They may visit the Voice of America MetroPark Welcome Center at 9850 VOA Park Drive West Chester, OH 45069, Monday-Friday 8:00am-7:00pm to purchase a permit.
4. If there is an entire team or group that purchase multiple passes ahead of time I can arrange for them to be delivered to their hotel (if within Butler County) on Friday evening before the event.
5. All others can purchase their pass as they are entering the park the day of the event. They will receive a pass that is labeled as a weekend pass but they can take that weekend pass and exchange it for an annual pass over at the VOA Welcome Center or Administrative Office the following week only.

We will accept cash or credit card if they are pre paying for their permits but they must have cash if they are buying at the entrance the day of the event. These passes are non-refundable.
