The League Director may determine on a seasonal basis to offer other competitions in league format for specific clubs and/or teams (e.g. Competitive/Recreational Leagues). Such league competitions shall be administered by the NL with specific competition rules and procedures approved by the League Director.

All applications for participation in the NL must be received by the deadline established by the League Director for each playing season.

NEBRASKA LEAGUE RULES

2.08 Application Process

Team Applications to participate in the NL must be completed online at the NL website by the advertised deadline by the League Director.

The NL shall return any fees paid to the NL for any team that is not admitted into the NL. Once the team divisions are posted on the NL website, the team fee for the season becomes non-refundable.

SECTION III. TEAM ROSTERS

3.01 Team Rosters

Teams must be rostered to the age group of the oldest player on the team. Teams will not be allowed to play up unless invited by the League Director with direction from the Technical Advisory Committee.

Teams must enter an initial NL roster on the NL website by the deadline advertised by the League Director. This roster will be checked versus the State Roster and the registration database. The roster will be the initial roster that will be used as the continuity roster for the US Youth National Championship Series.

The roster can be changed at any time, but a game roster must be printed off prior to each game showing the active players for that game. The roster must be presented with the passes to the referee during team check-in for the game. Once at game time the roster is frozen. Only the players on the roster will be eligible to play in the game. Bring two rosters to the game, one for the referee and the other for your opponent at check-in.

3.02 Maximum NL Player Roster Size

1. At U9 and U10 age groups the maximum number of **active** players on a NL Player Roster shall be 14;
2. At U11 and U12 age groups the maximum number of **active** players on a NL Player Roster shall be 18; and
3. At the U13, U14, U15, U16, U17, U18 or U19 age groups the maximum number of **active** players on a NL Player Roster shall be 18.

3.03 Member Passes

Valid Nebraska State Soccer or US Youth Soccer State Association member passes will be used for NL play. All passes must be valid for the current season, have a current player photo and be laminated or you may use Digital Passes (app) from the Affinity registration software.

NEBRASKA LEAGUE RULES

3.04 Player's NL Participation on a Daily Basis

At no time may a player play in more than two games a day (e.g. they can play in one game for two different teams in a day).

3.05 Player's Rostering Limitation within an Age Group

At all age groups, players can be on a NL Player Roster for more than one team within the same age group or any eligible age group (sharing of players). This will allow clubs/Directors of Coaching (DOCs) to manage player development according to their perspective/philosophy. Sharing of players and moving players will promote player development. Coaches must have the permission of their club/DOCs to share players as a Club Pass or Secondary player. Coaches/Clubs must define any limitation for play of a Secondary player. Sharing of players should be limited to a few players for each game. Any unethical issues, which would include moving players to just win a game, by a coach/club will be brought in front of the Technical Advisory Committee (TAC) for review.

3.06 Club Pass/Secondary Players

1. A Club Pass Player is a player that is registered to the club and may be added to the NL Player Roster, provided the player is registered to the same club as the team.
2. A Secondary Player is a player that is registered to a second team within the State Association and may be added to the NL Player Roster.

In the spring season, "trapped" U15 and U16 players may play, but the team they play on will have to be rostered to their age groups. A "trapped" player means they are an U15/U16 player but not playing high school soccer.

SECTION IV. FORMATION OF DIVISIONS AND SUB-DIVISIONS

4.01 Divisions of Competitions and Sub-Divisions

The divisions of competition may be named: Premier, First Division, Second Division and Third Division. Within each division, based on the number of teams participating in a particular gender/age group, the League Director may further split the teams into sub-divisions. The NL may conduct qualification competitions to determine placement of teams into tiers for future seasons of play.

4.02 Team Selection and Division Placement including Promotion and Relegation

The League Director will submit a list of teams and divisions to the Technical Advisory Committee to review prior to each seasonal year. The League Director and Technical Advisory Committee will meet and finalize the divisions of each boys and girls age group. The process of determining the placement of teams into division will utilize the accepted concept of Promotion and Relegation of teams between divisions based on the finish of teams in the previous year's NL standings, head to head competition and Nebraska State Cup results. If needed, there could be games to determine qualifying for divisions.

At U9, U10, U11 through U15 age groups, teams will be placed in divisions for the Fall session and may be relegated or promoted for the Spring session. The mission of the league is to get teams of similar ability into the proper division. At the U16, U17, Under and U19 age groups teams will only play the Fall session.

SECTION V. REMOVAL OF TEAM AND NEW TEAMS

5.01 Removal of Team from a Division

Teams that had previously earned placement in any division team may need to show continuity of roster to retain their slot. If the roster has a significant change from the previous season the team may be relegated.

5.02 New Teams in the NL

New teams will be placed based on the information provided or known, but in most cases, will not be placed at the Premier Division.

NEBRASKA LEAGUE RULES

SECTION VI. GAMES - OPERATIONAL PROCEDURES

6.01 Scoring Method

The standings of teams within divisions/sub-divisions are based upon the number of points earned. Standings will not be kept for U9 or U10 age groups. Teams earn points as follows:

- Three (3) points for a win
- One (1) point for a tie
- No (0) points for a loss
- Minus three (-3) points for a forfeit

6.02 Forfeits

In the event of a forfeit, the team that forfeits the game will have three (3) points deducted, and the game score will be recorded as 0-4. The opponent will be awarded three (3) points and a 4-0 win. In the event that a team forfeits more than one game, the League Director shall review the impact that such forfeits have on the standings and may consider dropping all results by all teams versus the team that has committed forfeits from the standings. This shall only be done if forfeits have a direct impact on promotion and relegation or the team has been suspended from the league.

6.03 Forfeited Games

A team that forfeits a game shall be subject to the following: The team (1) shall be subject to a fine, (2) could be suspended from the league, and (3) may be relegated one division despite its finish in the standings.

6.04 Uneven Number of Games

If the teams in a division/sub-division do not play the same number of games due to unforeseen circumstances, not including games that teams refuse to play (i.e. forfeits), the Final Standings may be determined by using the percentage of points earned versus the maximum points the team could have earned. The League Director will also determine any tie-breaking procedures that may need to be applied.

6.05 Reporting of Scores

Head Coaches or Team Managers from both teams shall report game scores within forty-eight (48) hours on the Game Report on the NL website. If there is discrepancy the game will show as "contested", the League Director will use the Referee Game Report to determine the game result.

1. In Regional Competitive/Rec leagues, coaches may be asked to report scores to League Director instead of entering scores.

6.06 Tiebreakers

If two teams are tied based on points earned, the team's placement will be determined in accordance with the following sequential criteria. If more than two teams are tied, Winner of head to head will not be used until a criterion creates a situation where a team or teams are eliminated. The tiebreakers are used to eliminate a team. If the elimination of more than one team creates a winner the process is done. If two teams are still involved, then the tiebreaker for the teams that are tied resorts to the tiebreakers starting with Winner of Head to Head:

- a. Winner of head to head competition.
- b. Most Total Wins (all games).
- c. Goal Differential (goals scored minus goals against) in all games with a maximum of plus/minus four goals per game.
- d. Fewest goals against.
- e. Coin Toss

6.07 Uniforms

Teams playing in the NL are only permitted to wear the following on their game uniforms:

- a. Nebraska League logo;
- b. Their individual club and/or team logo and team sponsor logo;
- c. Manufacturer of uniform logo; or
- d. Name and number of player.

NEBRASKA LEAGUE RULES

No other patches or logos (e.g. another governing body) are permitted unless written permission is granted by the League Director.

6.08 Number of Games

The scheduled number of games shall be determined by the League Director based on the number of teams in a division, MRL schedules and any play-off process. League Director will attempt to schedule teams for seven (7) or more games, unless the conflicts reduce the number of games. Deposits will be based off seven (7) games, but will be adjusted once schedules are finalized or during the end of season recon.

6.09 Scheduling of NL Games

All NL games will be scheduled by the League Director or designee.

6.10 Travel/Hosting

For NL competition, Notification to Travel/Permission to Travel Forms will not be required.

6.11 Game Schedule and Rest Periods

All games will be played as scheduled, unless weather conditions dictate otherwise. It is the intent of the league to play only one game per day; however, when circumstances dictate, no more than two games a day will be scheduled.

6.12 Inclement Weather

Each complex is responsible for notifying the league of Field Closure due to inclement weather as soon as possible, but no later than two (2) hours before the games. Remember that weather can pop up at any time and the final decision to play will be made by the Referee at the game site. NL will follow the Nebraska State Soccer weather plan for suspending games. The policy is posted in the Team Tool Box and Referee Tool Box pages on the NL website.

SECTION VII. RULES OF PLAY

7.01 Laws of the Game

Games will be played under the applicable rules of Nebraska State Soccer, US Soccer and US Youth Soccer. Teams are responsible for obtaining and being familiar with the FIFA Laws of the Game as they govern play subject to the modifications noted herein. The FIFA Laws of the Game are posted in the Team Tool Box and Referee Tool Box pages on the NL website.

7.02 Substitutions

In the Premier and Director Division at the U15, U16, U17, U18 and U19 age groups the NL will operate under the FIFA-Seven (7) "per half" substitution system. Once replaced, players cannot re-enter the game during that half of play. Substitutions may be made during any stoppage in play at the discretion of the referee. In all other divisions and age groups, unlimited substitutions will be permitted. Substitutions may be made during any stoppage in play at the discretion of the referee.

 2. Width: Recommended 75 yards - minimum 70 yards maximum 80 yards.

7.05 Official Game

A game shall be considered official after one full half of play is completed (the second half does not have to start). If less than one half is completed and the game is abandoned, the entire game must be replayed, subject to NL review by the League Director. If a game is abandoned in the second half of play due to inclement weather, the final score will be the score at the time the game is abandoned. If a game is abandoned for any other reason including but not limited to gross misconduct, the League Director will decide the disposition of the game score following review of all information available including but not limited to Referee Game Reports, Head Coach Game Reports, etc.

7.06 Forfeits - Lack of Appearance

A fifteen (10) minute delay in the start of a game due to a team's lack of appearance is permitted for scheduled games before the game is abandoned. The Referee will report the Lack of Appearance to the League Director within twelve (12) hours. The League Director will determine the outcome of the game, but Lack of Appearance is normally a forfeit.

7.07 Anchored Goals

The coaches and referees should inspect the integrity of the goals to ensure they are secure and suitable for play. Games shall not begin until both goals have been firmly secured with at least one anchor, if the goal cannot be anchored, the game will not be played. Ideally, there should be two anchors on each goal. In the FIFA Laws of Play – Law 5 indicates that the referee has the final determination as to properly anchored goals. NL will ask parent's to also check to make sure goals are anchored, if not, they should not allow their child to play. Any unanchored goals or integrity issues will be reported to League Director by the Head Coaches in their game report and to the Referee Assignor by the Referee in their game report within twelve (12) hours. The Referee Assignor will notify the League Director.

7.08 NL Player Rosters and Player/Bench Personnel Passes

Prior to printing the NL Player Roster, the Head Coach or Team Manager must login on the website, go to "Player Roster" and set the players participating in the next game to "Active". Once the players are set to "Active" and the Roster printed, the date is printed on the Roster. The Roster can be changed at any time before the game, but the last Roster printed will be the "Frozen" game Roster. The Roster will be available to print off up to Four (4) days prior to the game. Teams need to bring two copies of the Roster to each game. One for the referee and one for your opponent. Each team must bring their laminated Nebraska State Soccer member passes or have the app for Digital Passes and their Rosters to every game. Rosters and passes are to be given to the Referee prior to the start of a game at check-in. No more than fourteen (14) players at the U9/U10 age group, no more than eighteen (18) players at the U11/U12 age group and no more than eighteen (18) players at the U13 through U19 age group from a team may appear as "Active" on the Roster and play in any game.

7.09 Playing of Ineligible Player

A team that plays an ineligible player shall be subject to disciplinary action including but not limited to: forfeiture of the game, a fine, suspension of the team's coach from NL competition, or expulsion of the team from the NL.

7.10 Member Passes Presented to Referee

In the Premier and Director Divisions at the U15 through U19 age groups player passes shall be presented to the referee upon entering the field of play. Passes will be returned to the players at the end of the half. Players will present passes upon entering the game during the second half. At all other divisions and age groups due to the unlimited substitution rule for these age groups, all passes are to be presented to the Referee prior to the game. Referees are to collect the passes for any non-participating player that is sitting on a team's bench for the game

NEBRASKA LEAGUE RULES

prior to the game to ensure that such players do not participate in the game. Such passes are to be returned to the team following the game.

7.11 Providing Team Rosters

Official NL Player Roster must be provided to the opposing team coach/manager prior to the start of the game.

7.12 Uniform Color Conflict

As part of the application process, each team was asked to declare their home and away uniform colors. When there is a conflict in uniform color, the team listed as "Home Team" must change their uniform color, subject to the Referee's decision. The "Away Team" shall wear your away color. In the Premier Division, players in the bench area will wear pennies that do not conflict with the uniform color of either team.

7.13 Coaching from Sidelines

Limited coaching from inside the team's respective Technical Area is permitted. Only one person at a time is authorized to convey tactical instructions from the Technical Area. Bench Personnel may not leave their team's Technical Area or enter the field of play without permission from the Referee. If the Technical Area is not marked on the field, the technical area will extend 1 yard on either side of the designated seated area and extends forward up to a distance of 1 yard from the touch line. The Referee should define the Technical Area prior to the start of the game within the guidelines of this section.

7.14 Team Bench Supervision

At all age groups and divisions, a coach, manager or team official must supervise a NL team always at the Team Bench Area. Coaches, managers and team officials are required to provide the Referee with a bench personnel pass certifying that the coach, manager or team official is currently rostered with the team/club. If by expulsion or emergency, a team does not have a coach, manager or team official to supervise the NL team during a NL game, then the game shall be abandoned and reported to the League Director. The League Director shall declare the game a forfeit.

7.15 Team Head Coach – Licensing Requirement

Beginning August 1, 2018:

1. At the Premier Division, the head coach on a team's NL roster must hold at the minimum a US Soccer "E" License or a NSCAA Level 6 Diploma as the minimum coaching qualification.
2. At all other Divisions, the head coach on a team's NL roster must hold at the minimum a US Soccer "F" Coaching License as the minimum coaching qualification. The NL will give any head coach a code that will allow the head coach to take the "F" course without paying a fee. The fee will be charged during the reconciliation of fees at the end of the season.

7.16 Heading - Concussion Initiatives

The Nebraska State Soccer Association has adopted the recommendations from US Soccer concerning concussion initiatives, including providing outreach and education to our Members. As part of this initiative, effective July 1, 2016 no intentional heading of the ball (competition or practice) will be allowed by: (1) all U11 and lower age groups regardless of the actual age of the player, and (2) all individual players 10 years or younger playing above the U11 age group. When such a player deliberately heads the ball in a game, an indirect free kick will be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue.

7.17 Offsides

Due to US Soccer mandates offsides will be in effect for U9 through U19 age groups.

7.18 Build Out Line

Due to US Soccer mandates at the U9/U10 age group we will be using "Build Out Lines" on the fields. The build out line is used to promote playing the ball out of the back in an unpressured setting. When the goalkeeper has the ball, either during play or from a goal kick, the opposing team should move behind the build out line. Once the opposing team is behind the build out line, the goalkeeper can pass or throw/roll the ball to a teammate (no punting). After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal.

NEBRASKA LEAGUE RULES

SECTION VIII. GAME CONTROL

8.01 Three-Person System

Games should be officiated by the three-person FIFA/USSF Referee System for U9 through U19 age groups. In the event an assigned official fails to appear by game time, one of the referees should contact the Referee Assignor for that community. If the Referee does not appear within 5 minutes of the game time the Referee may appoint Club Assistant Referees. Club Assistant Referees shall be limited to decisions only on touchlines and possession as specified by FIFA/USSF Referee Guidelines. US Soccer does NOT allow for Dual Two-person Crew. The result of the game will be considered official as long as there is one Certified Referee on the game.

8.02 Game Officials

Games officials will be assigned under the authority of the NL working with Nebraska State Soccer SRA or SYRA. The SRA and SYRA will recruit and approve the Referee Assignor in each community or region.

8.03 Payment of Referees

Referees and Assistant Referees assigned under the provisions of these NL Rules shall be paid roughly twice a month by the Nebraska State Soccer office. Referee Assignors/SRA will provide paysheets to the League Director showing individual Referees, their pay for games called during the requested date range. The League Director will determine the dates for submittals and payments.

The league will use the Nebraska State Soccer Pay Scale advertised on the Nebraska State Soccer website. No one will submit a request for payment unless the Referee has submitted a game report on the approved referee software system.

Referees must submit a W-9 before they will be paid.
