

Competition Venue Parking Guidelines

Barboursville Soccer Complex

All traffic will enter from 4H Camp Road. You will cross an entry bridge into the venue as you turn off of 4H Camp Road.

At the end of the entry bridge, all traffic for Fields 13 – 16 and all VIP Lot traffic will take an immediate left and cross over a large bridge (over railroad tracks) to those fields. The VIP lot is to the left behind Field 16.

At the end on the entry bridge, all traffic for Fields 1-11 will go straight. Traffic for fields 1, 4 7 and 10 should get in the left lane, all other traffic should be in the right lane and follow directions of the parking staff and signage.

All Referee, Volunteer and Reserved Parking Traffic will stay in the right lane.

Referee and Volunteer parking will be behind Fields 3, 6 and 9.

Reserved Parking starts opposite the Medical area and continues down past the Headquarters area.

Reserved Parking spots have name or position signs. The parking order is as follows, Medical, Vendors, LOC, Region I, US Youth Soccer, and Media.

Scott Orthopedic Soccer Complex

All traffic will enter the complex from Rt. 2. There are active railroad tracks on the entry road.

DO NOT STOP ON THE RAILROAD TRACKS!!!!

Parking for Field 17 is in the lot on the left as you cross the tracks. For parking at Field 18 and Field 19, turn right as you cross the railroad tracks and proceed behind the baseball stadium to the lots.

For parking at Field 20, Field 21, and Field 22, go straight as your cross the railroad tracks and the park in the lot on the left.

Volunteer and Referee traffic should enter by the road behind the pond (look for signs) and park behind the YMCA Building.

VIP traffic should turn right as you cross the tracks and park along the road behind Field 17 in the marked area.

All Referees, Vendors, Volunteers and VIPs are urged to carpool as much as possible
