

2016 US Youth Soccer Region I Championships Parking Information

Parking Information For Opening Ceremonies at Joan C. Edwards Stadium at Marshall University

There is a map of available parking lots and structures posted on the Region I (www.region1.com) and West Virginia Soccer Association (www.WestVirginia2016.com) tournament websites as well as the WVSA app (available on Google Play and the AppStore). There is ample parking and for those who arrive early. The main lot behind the press box side (across from the Marshall Recreation Center) of the stadium will be open for general parking.

Parking at the Barboursville Soccer Complex and Scott Orthopedics Soccer Complex

The parking Lots at Barboursville Soccer Complex and the Scott Orthopedic Soccer Complex (YMCA Kennedy Center) will open at 6:30 am each day. Please give yourself ample time to arrive as there is only one entrance and exit to each complex.

Please obey all posted signs concerning where to park and where not to park. There will be signs directing you to parking for your field so please be aware.

There are no drop offs along the entry roads!!! Barboursville Police Department and Cabell County Sherriff's Department will be enforcing the no drop off and no parking zones. Please help everyone get in the complexes in a timely manner by following directions.

Barboursville Police Department, Marshall University Police Department and Cabell County Sheriff's Department remind all participants **NOT** to leave valuables in your hotel rooms or in plain sight in your vehicle. Please lock all valuables in a hotel safe or in the trunk of your vehicle.

Parking for Marshall University Soccer Complex

There is a parking lot next to the stadium and overflow parking is located across the street in the Kroger parking lot.
