

2019 Target United Cup Information

REGISTRATION:

Only recreational teams U7 and under through U15 and under – boys and girls can enter.

You MUST register the recreational team that has played together all season – you can NOT add players from other teams within your club and guest players from other clubs are NOT allowed.

All teams have to be activated by your club registrar before the link will appear. See Blue and Gold Divisions for the amount of Travel players allowed on a roster.

A player can ONLY play on one team, so if the player is registered on two recreational teams from your club and both teams are entered in Target UC, then the player will be removed from one roster. Please email me which team ID # and age group where the player will remain - jude@wvsoccer.net so I have him/her on the correct team.

Teams are required to have picture of all coaches and players on the Official Target Roster I will print from Affinity and have at sign in for your team.

All player's MUST have a jersey # on their jersey and the number must be entered on their roster in the Affinity system, including the goalie and all numbers MUST be different.

If goalies share a shirt, that is fine, put their field player # on roster and tell the referee who is playing goalie before the game by marking it on the roster copy you give them.

Coaches are required to have a signed medical release form for each player. The medical release form is available at www.wvsoccer.net

Problems with registering your team, registration questions or Questions about how to enter Jersey # and pictures, email Jude Greene (jude@wvsoccer.net)
