Competitive Tryouts

With tryouts approaching there has been confusion regarding the age groups for next year and when they can tryout. We have put together the following information to make it easy for all to understand. Please note that in the 2017-18 Soccer Season age is calculated by the following Birth Year method. (Current Season Year – Birth Year = Age Group)

Examples:

- 2018 - 1999 = 19 and under
- 2018 - 2004 = 14 and under
- 2018 – 2012 = 6 and under

Important dates:

- May 15th, 2017
 - Competitive Players may tryout on or after May 15th, 2017 if they fall into the following age groups for next year:
 - 2005 = 13 and under
 - 2006 = 12 and under
 - 2007 = 11 and under
 - 2008 = 10 and under
 - 2009 = 9 and under
 - Please note that children born in 2010 or after may play up in the competitive 2009 age group, but that is a club decision made to help those players that should be challenged by this option. TSSA does not recognize 2010 competitive age group teams.
- June 5th, 2017
 - Competitive Players may tryout on or after June 5th, 2017 if they fall into the following age groups for next year:
