If the team representative has no control over the individual or situation, the team representative shall not be penalized. Instead, the referee shall take other appropriate action.
- d) The referee may suspend play when necessary due to spectator or participant interference until the individual creating the disturbance leaves the playing area to a minimum of 100 (one hundred) yards from the field. The DC shall have the authority to consider all available information in any form regarding a disciplinary matter. The DC is empowered to conduct hearings in order to investigate alleged misconduct.
- b) Any incident or misconduct occurring within Wyoming shall be reported in writing to WSA within 60 days of the incident.
- c) The DC shall have the discretionary power to establish the penalties applied to participants. Any penalty established by the DC for a specific matter may, after a hearing, be reduced or increased by the DC. The DC is authorized to set specific periods and conditions of probation and to establish penalties for probation violations.
- d) Referees participating in WSA sanctioned events shall be subject to the disciplinary procedures of WSA. The Referee Committee (RC) shall have the authority to recommend appropriate disciplinary action to the State Referee Administrator (SRA).  - (5) Such video shall be left with the WSA Board of Directors or the chairman of the appropriate committee at the conclusion of such hearing.
- g) After both sides have presented all testimony, the DC shall retire to executive session to deliberate and decide. The decision shall represent the considered judgment of the majority of the voting DC members who heard the evidence presented at the hearing.
- h) Except as otherwise provided by US Youth Soccer National Championship Series rules, cautions and send offs counted for automatic suspension purposes shall carry forward from league to other competitions and vice-versa without limit and from one seasonal year to the next seasonal year.
- i) Any suspension stated in these rules shall commence with the next sanctioned game in which the suspended individual would otherwise be eligible to participate. For any game that a participant is "sitting out", it is the responsibility of the coach or team representative to inform the referee of the name of the individual not participating.
- j) In the event of an unsuccessful appeal of a participant's suspension, the full penalty shall begin with the next sanctioned game in which the participant would otherwise be eligible to participate. The duration of the suspension shall not be diminished by the passage of time consumed by the failed appeal.
- k) If a participant wishes credit for "sitting out" a USYS sanctioned game that was played outside of Wyoming, the participant must provide evidence of "sitting out", which must satisfy WSA as to its authenticity.
- l) Participants whose misconduct outside of Wyoming is reported to WSA shall be subject to WSA discipline as though the offense had occurred in Wyoming. The written or verbal report shall be received by WSA within 90 days of the date of misconduct.
- m) The term "stand-alone caution" shall mean any caution or equivalent misconduct, except for 2 (two) cautions in the same game, which result in the sendoff of a participant for "persisting in misconduct after having received a caution." Any participant who has a seasonal accumulation of 4 (four) stand-alone cautions shall be suspended automatically for a minimum of 1 (one) game. WSA shall monitor the accumulation of stand-alone cautions and shall notify the participant and the team representative in writing of a participant's one-game suspension when 4 (four) such cautions have been accumulated during a single season. Following the one-game suspension, the stand-alone caution count will be reset to zero.
- n) Any participant who is sent off from a game or is reported for misconduct prior to or following a game for the offenses of "violent conduct", "serious foul play", "using foul or abusive language" or "persisting in misconduct after having received a caution", shall be suspended automatically for a minimum of one (1) game to commence at the next sanctioned tournament or league game in which the suspended individual would otherwise be eligible to participate.
- o) The SRA/SYRA shall review all reports of a participant's "violent conduct or serious foul play". If the participant forcefully struck, fought with, or spat upon another person, the participant shall be automatically suspended for a minimum of 2 (two) games and the SRA/SYRA may recommend that the incident be the subject of a hearing by the DC. If the report indicates that a participant intentionally caused, or attempted to cause, serious physical injury or if the individual committed an offense with grossly excessive force, the matter shall be subject to mandatory review by the DC.
- p) The term "official" shall refer not only to referees, assistant referees, fourth officials, and others duly appointed to assist in officiating a match, but also to all officers, employees, or appointees of WSA/USYS/USSF or affiliated organizations as well as all volunteers working in an official capacity within these organizations and all visiting dignitaries at a sanctioned event.
- q) The terms "abuse" and "assault" as applied to referees shall include but not be limited to any of the following:
 - (1) Referee abuse: Verbal abuse or threat; obscene gestures; threatening attitude directed at an official or his/her property, or similar offensive action.

- (2) Referee assault: The act or attempted act of striking, kicking, tripping, holding, restraining, or otherwise physically accosting; the act of taking or attempting to take any item from an official such as a red or yellow card, pass, or flag; directing any object at an official, whether harmful such as a rock, or harmless such as water or similar offensive action. Any act in which an official suffers bodily harm or in which property belonging to or in the custody of an official is damaged or lost is viewed with particular concern.
- r) A participant guilty of an assault on an official shall be automatically suspended for a minimum of 12 (twelve) months unless serious injuries are inflicted, then the minimum suspension period will be at least five (5) years.

- t) Any participant who is suspended for a total of six (6) games during any 365-day period shall be automatically suspended for an additional six (6) games and shall automatically be placed on probation within WSA for a period of six (6) months by the DC. The participant may be subject to a suspension of up to 12 (twelve) calendar months.
- u) Any participant who accumulates 3 (three) stand-alone cautions or is sent off 1 (one) time during a probationary period shall be required to appear before the DC and may be subject to additional disciplinary actions at the discretion of the DC.

- c) To be considered, any complaint of referee misconduct must be received by WSA within 60 (sixty) days of the incident.
- d) The chairman of the RC, or his/her designee, shall promptly review the complaint and determine whether a formal investigation shall be required by the RDSC.
- e) If a formal investigation and hearing are required, they shall be scheduled such that a decision is reached within 60 (sixty) days of WSA's receipt of the complaint, or as required by the USSF *Ethics and Grievance Procedure for Referees*, etc. currently in force.
- f) The RDSC Chairman shall convene a hearing board consisting of the chairman and 4 (four) representative members of the standing sub-committee. The RDSC Chairman shall give notice of the time and place of the hearing at least 10 (ten) days prior to convening the hearing to the subject of the complaint, in writing, by certified mail, return receipt requested, and by regular mail or in person at the address on record with the SRA. In addition, written notice of the hearing shall also be made to the filer of the complaint, SRA, and any other persons whom the RDSC Chairman wishes to attend the hearing. The chairman of the RDSC shall have responsibility for assuring that a certified referee instructor is present to advise on the interpretation of *The Laws of the Game*.
- g) The hearing shall be presided over by the RDSC Chairman and shall proceed as follows:
 - (1) Complainant testimony.
 - (2) Testimony by subjects of the complaint. (Opposing parties, SRA, and hearing board members may question both sides as testimony is given.) - h) The RDSC Chairman shall send a written report within 7 (seven) days of the hearing to the SRA. The report shall include the findings of the hearing and recommended penalties. Copies of the report shall be sent to the Referee Committee Chairman, WSA, the Disciplinary Committee Chairman, and the complainant. A copy shall be sent to the subject of the complaint by certified mail, return receipt requested, and by regular mail.
- i) Any referee subject to penalties shall receive, at the time of notification of the decision, notice of the right of appeal and the procedures required for such an appeal.
- j) SRA shall immediately impose the penalties recommended by the hearing board.

24) PROTEST AND APPEALS PROCEDURES

 - (1) **PROTESTS:** Actions arising from or related to specific game results, cautions, or ejections. Only team representatives may protest a game result. Protests must be based on violations or misapplications of *WSA Rules and Procedures, Articles of Incorporation, Bylaws, or FIFA Laws of the Game*. Protests submitted to a sanctioned competition (such as a tournament) must proceed in accordance with the rules of that competition; however, protests or matters for which discipline or suspension may be imposed by WSA shall proceed in accordance with these rules.
 - (2) **APPEALS:** Actions arising from a decision by a WSA committee or official, by a member club, or by a sanctioned competition (e.g., tournament). Only those parties to the original action are entitled to appeal.
 - (3) A properly filed protest or appeal shall delay the effect of the protested action or ruling pending decision by the P&A Committee.
- b) No decision which arises out of the application of the rules of competition which is made in the course of the competition and has no consequence beyond the competition as herein defined, shall be appealable. For the purposes of this policy, the term “competition” may include games, tournaments, league play or a regular season. Nothing herein shall be construed to limit the right of appeal available under the Amateur Sports Act or the Constitution and Bylaws of the United States Olympic Committee (“USOC”) relating to the opportunity of Athletes to participate in “protected competition” as defined in the USOC Constitution.
- c) **THERE IS NO** appeal of risk management decisions.
- d) The line of authority for protests and appeals shall be as follows:
 - (1) WSA Protest and Appeals Committee
 - (2) WSA Board of Directors
 - (3) USSF National Appeals Committee
- e) No protest or appeal shall be heard or determined by the next higher authority until a decision on the matter has been rendered by the lower authority; provided, however, that a failure of the WSA P&A Committee to decide a matter within 60 (sixty) days of receiving the protest or the appeal entitles the party to have the protest or appeal heard by the WSA Board of Directors at its next regularly scheduled meeting. Any higher authority may decide any protest or appeal upon review of the record of proceedings and decisions of the lower authority.
- f) All decisions rendered by WSA can be appealed directly to the USSF National Appeals Committee. A person has the right to appeal the decision to the USSF National Appeals Committee by completing a Notice of Appeal and sending it to USSF, together with the appropriate appeal fee (money order or cashier’s check).
- g) All notices of appeal to USSF must be submitted by the person wishing to make such an appeal within 10 (ten) days from the receipt of the decision rendered by WSA. This includes all appeals relating to referee abuse/assault under prior USSF Rule 3041 and appeals relating to official misconduct under prior USSF Rule 3042.
- h) Appeals procedures are in the USSF Bylaws and Rules and Policies.
- i) **PROTEST PROCEDURES:** Any person wishing to protest must submit a written Notice of Protest to the State Office, and such notice must be postmarked or delivered within 7 (seven) calendar days following the date of the alleged violation or misapplication. The Notice of Protest must set forth the protestor’s full name, address, and telephone numbers (home and work); describe each violation or misapplication, including the date, time, and place of each; state the relief or redress sought; and be accompanied by the required fee. The chair of the committee may summarily dismiss any protest that does not comply with the requirements of this paragraph.
- j) **APPEAL REQUIREMENTS:** Any person wishing to appeal to the Protest and Appeals Committee must submit a written Notice of Appeal to the State Office, and such notice must be postmarked or delivered within 7 (seven) calendar days following the date that person received notice of the action or decision being appealed. The Notice of Appeal must set forth the appellant’s full name, address, and telephone numbers (home and work); describe the action or decision being appealed; state the relief or redress sought; and be accompanied by the required fee. Policy:

This Policy applies to all U.S. Soccer employees and extends to all of our operations. This Policy also applies to conduct by any subcontractor, supplier, customer or third party and their employees in their dealings with U.S. Soccer employees.

U.S. Soccer is committed to maintaining a work environment that is free from all forms of discrimination, including harassment, on the basis of any legally protected status. Accordingly, U.S. Soccer does not permit any form of unlawful harassment, discrimination or intimidation against its employees by anyone, including managers, supervisors, co-workers, executives, directors, officers, other employees, vendors, clients, customers or third parties. Protected status includes race, color, age, religion, marital status, sex, ancestry, national origin, citizenship, veteran's status, pregnancy, disability, sexual orientation, protected activity, or any other characteristic protected by federal, state or local law. The policy also prohibits harassment on the basis of the protected status of an individual's relatives, friends or associates.

U.S. Soccer is also committed to maintaining a work environment that is free from all forms of child sexual abuse, sexual misconduct, bullying and hazing.

Any violation of this Policy by an employee may subject the employee to disciplinary action. Appropriate action also will be taken against any subcontractor, supplier, or customer found in violation of this Policy.

a) Prohibited Conduct:

1) Harassment

Harassment consists of unwelcome conduct, whether verbal, physical or visual, that is based upon a person's protected status. U.S. Soccer will not tolerate harassing conduct that affects tangible job benefits, that unreasonably interferes with an individual's work performance, or safety, or that creates an intimidating, hostile, or offensive working environment.

Among the types of conduct prohibited by this policy are epithets, slurs, negative stereotyping or intimidating acts based on an individual's protected status and the circulation or posting of written or graphic materials that show hostility toward an individual because of his or her protected status.

Prohibited conduct can also include jokes, kidding, or teasing about another person's protected status. While harassing conduct is unlawful only if it affects tangible job benefits and/or interferes unreasonably with work performance and creates an abusive or hostile work environment, this Policy forbids harassing conduct even when it does not rise to the level of a violation of law.

2) Sexual Harassment

Sexual harassment deserves special mention. Unwelcome sexual advances, requests for sexual favors, and other verbal, written, or physical conduct of a sexual nature constitute sexual harassment when:

- submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment;
- submission to or rejection of such conduct by an individual is used as the basis for an employment decision affecting that individual; or

- such conduct has the purpose or effect of unreasonably interfering with an individual's work performance and creating an intimidating, hostile, or offensive working environment.

Sexual harassment may involve individuals of the same or different gender. It may also occur between individuals of any employment status.

Examples of conduct which may constitute sexual harassment and are prohibited by this Policy include, but are not limited to

- unnecessary touching, patting, hugging, pinching, or brushing against a person's body;
- staring, ogling, leering, or whistling at a person;
- continued or repeated verbal abuse of a sexual nature;
- sexually explicit statements, sexual flirtations, advances, propositions, subtle pressure for sexual activity, comments, questions, jokes, or anecdotes;
- graphic or degrading comments about a person's clothing, body or sexual activity;
- sexually suggestive objects, cartoons, posters, calendars, or pictures in the workplace;
- suggestive or obscene letters, notes or invitations;
- harassing use of electronic mail, electronic or instant messaging, or telephone communication systems;
or
- other physical or verbal conduct of a sexual nature.

U.S. Soccer prohibits managers and supervisors from threatening or insinuating, either explicitly or implicitly, that an employee's submission to or rejection of sexual advances will in any way influence any personnel decision regarding that employee's wages, assigned duties, advancement, evaluation, shifts, career development, or any other condition of employment.

3) Racial, Religious, or National Origin Harassment

Racial, religious, or national origin harassment deserves special mention as well, and is expressly prohibited by U.S. Soccer. Racial, religious, or national origin harassment includes any verbal, written, or physical act in which race, religion, or national origin is used or implied in a manner which would make a reasonable employee uncomfortable in the work environment or which would interfere with the employee's ability to perform the job. Examples of race, religious or national origin harassment may include, but are not limited to:

- jokes, which include reference to race, religion, or national origin;
- the display or use of objects or pictures which adversely reflect on a person's race, religion, or national origin; or
- use of pejorative or demeaning language regarding a person's race, religion, or national origin.

4) Child Sexual Abuse

Any sexual activity with a child is prohibited. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception or the child understands the sexual nature of the activity.

5) Misconduct

Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority is prohibited. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative. This section does not apply to a pre-existing relationship between two spouses or life partners.

6) Bullying

Intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s), as a condition of membership are prohibited. Bullying does not include group or team behaviors that (a) are meant to establish normative team behaviors, or (b) promote team cohesion.

7) Hazing

Coercing, requiring, forcing or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group or (b) being socially accepted by a group's members are prohibited. Hazing does not include group or team activities that (a) are meant to establish normative team behaviors or (b) promote team cohesion.

b) Procedures for Complaints, Investigations and Corrective Action

All employees are responsible to help assure that we avoid misconduct. No one is exempt from this Policy. U.S. Soccer cannot act to eliminate misconduct unless it has notice of the conduct. Furthermore, U.S. Soccer employees are responsible to help assure that the work environment, on or off-premises, is free from harassment. All employees have an obligation to promptly report any and all allegedly harassing conduct they are the subject of, that they learn of, or that they witness. Our Policy provides for immediate notice of problems to the persons designated in this Policy so that we may address and resolve any problems as quickly as possible.

An employee must report the harassing conduct to either:

- The person to whom you report (supervisor or manager);
- Department Head;
- The Human Resources Department;
- The Legal Department; or
- The Chief Executive Officer.

If the employee feels uncomfortable going to his or her supervisor with the complaint, he/she must report the matter to any other member of management as designated above.

This Policy does not require reporting the misconduct to any individual who is creating the harassment or discrimination.

All complaints and reports will be promptly investigated. All employees have an obligation to cooperate in any investigation of a complaint of misconduct, including providing any and all information concerning the complaint. Failure to do so may be a violation of this Policy. In determining whether an individual's alleged conduct constitutes a violation of the Policy, the investigator will impartially look at the totality of the circumstances, which includes the nature of the misconduct and the context in which it is alleged.

If an investigation confirms that a violation of the Policy has occurred, U.S. Soccer will take prompt corrective measures. These measures may include, but are not limited to, an oral or written warning or reprimand, counseling, suspension, or discharge of the employee engaging in such misconduct. Such disciplinary actions will be noted in the employee's personnel file.

U.S. Soccer's Non-Harassment Policy offers its employees greater protection from harassment than does the law. Consequently, employees who are found to have violated U.S. Soccer's Non-Harassment Policy shall be subject to corrective action, discipline or termination, even in cases where applicable laws may not have been violated and without regard to whether the conduct constitutes a violation of the law.

An employee wishing to file a complaint outside the Federation may contact either the Equal Employment Opportunity Commission or the fair employment agency in his or her state.

c) Confidentiality

Complaints of harassment, investigation of complaints of harassment, and any corrective action taken in response will be kept confidential, except as disclosure is necessary to perform U.S. Soccer's investigation, and to inform the alleged victim of harassment of the outcome of any investigation.

d) No Retaliation

U.S. Soccer prohibits reprisal or retaliation against an employee for filing a good faith complaint of harassment, for supporting or assisting, in good faith, another employee in pursuing a complaint or in assisting in the investigation of a complaint. Employees must report incidents of retaliation on the same basis as they are to report incidents of harassment. U.S. Soccer will not retaliate or discriminate against any employee for exercising, in good faith, any rights under this Policy. Retaliation is a violation of this Policy.

e) False Claims

Investigations of good faith claims may properly result in findings that include violations of the policy, no violation of the Policy, or inconclusive findings. However, any employee who falsely claims sexual misconduct or provides false information in an investigation will be subject to disciplinary action, up to and including discharge.

f) Training and Education

Employees that have contact with athletes must successfully complete the USOC SafeSport training every two (2) years. The USOC SafeSport training can be accessed at <http://training.safesport.org/>.

g) Sexual Abuse or Misconduct

The investigation and adjudication of matters involving allegations or reports of sexual abuse or misconduct, or other violations of this Prohibited Conduct Policy that involve prohibited conduct that is reasonably related to and accompanies an alleged violation involving sexualized behavior by Covered Individuals are subject to the jurisdiction of the United States Center for Safe Sport (“USCSS”) in accordance with the requirements of the USOC and as set forth in the USCSS Bylaws or other USCSS governing documents. “Covered Individuals” are those athletes who directly register with U.S. Soccer (not including professional athletes playing with a professional league sanctioned by U.S. Soccer) and those who are appointed or authorized by U.S. Soccer to oversee those athletes; this would include coaches, administrators, medical personnel and the like. Rules and procedures to be followed by U.S. Soccer in dealing with allegations or reports of sexual abuse or misconduct, and the enforcement of discipline or other sanctions issued by the USCSS, are set forth in the applicable SafeSport policies and disciplinary procedures of the USCSS or U.S. Soccer.

33) MATTERS NOT PROVIDED FOR
