

## 2016.2017 Soccer Season - Wyoming Soccer ODP

Hello!

I am a member of the Wyoming Soccer Association's Olympic Development Program (ODP) for the 2016.2017 season.

*This is a national program, designed to identify and develop talented, committed youth soccer players to represent their state, region, and country in soccer competition. It also aids in preparing and showcasing these student athletes for exposure to collegiate-level soccer programs.*

*Players begin their journey at the state level; in Wyoming it begins with training that focuses on improving a player's skills, fitness, and attitude. Later in the season, players train for and may compete in high level tournaments and/or college showcases and, if chosen, can advance to the regional level by attending US Youth Soccer Region IV ODP training camps. Regional camp provides the opportunity to be selected for the regional training pool. Players from that pool make up the team that represents the region at inter-regional and international events.*

To be successful requires both a large time and financial commitment, as this program is completely player-funded. My goals are to take full advantage of the training and playing opportunities, and to be recommended to Region IV ODP camp. I hope you recognize, as I do, the significant opportunity I have been offered.

I also hope you agree how unfortunate it would be to lose an opportunity to represent Wyoming, and perhaps our country, for financial reasons. My family and I anticipate difficulty in fully paying for the program and camp fees, lodging, and transportation costs, which can be close to \$2500.

So, I would like to ask you for your help. A tax-deductible contribution to the WSA ODP sponsorship fund would be greatly appreciated. Included with this letter is a form for submitting your contribution. I would love to speak with you more about this incredible opportunity and to answer any questions you may have. You can reach my family or me with the below contact information.

I want to thank you for your time and I hope you will consider helping me to find a way to accomplish my goals.

Sincerely,

Your

**IMPORTANT NOTICE:** The funds you have contributed in the above player's name can only be released upon proper request. A player must submit a WSA ODP expense reimbursement request along with receipts, invoices, mileage logs and other supporting documents. Any excess sponsorship donations received in the player's behalf will either be kept by WSA ODP for its player scholarship program or returned, upon request, to the original sponsor. Any excess funds cannot be paid directly to the player, as this would constitute a payment for services, which would be taxable income to the player and can jeopardize a player's amateur status.
