Hello!

I am contacting you on behalf of my Wyoming Soccer Association WYO 307 team. WYO 307 teams have been developed by Wyoming Soccer Association to enhance the programs offered by its affiliated clubs. These teams give talented, committed youth soccer players additional opportunities to participate in high level tournaments and college showcases.

My team is comprised of players from throughout Wyoming. These players are some of the most dedicated and competitive athletes in the state. Unlike teams whose players live in one area, I am faced with the challenge of the additional costs associated with training throughout the state plus attending tournaments outside of Wyoming.

WYO 307 teams are completely player-funded and are classified as “select” teams, so we do not participate in WSA sanctioned tournaments. My WYO 307 team plans to attend several tournaments this 16.17 season so being able to fully participate will require a large commitment of time and money.

I would like to ask you for your help. A tax-deductible contribution to my WYO 307 team would be greatly appreciated. Included with this letter is a form for submitting your donation. My WYO 307 team coach or team manager would love to speak with you more and to answer any questions you may have. You can reach either one using the contact information below.

Thank you for your time and I hope you will consider helping me accomplish my goals while representing the great state of Wyoming!

Sincerely
