Updated Photo Upload Tools:

Affinity Sports has updated photo upload and birth certificate upload functionality to include a resizing and cropping feature.

Click on the image to begin upload process:

![Click here to upload photo 100x120 pixels](image)

Browse for a photo saved on your computer:

**Profile Photo Upload**

Select, view and crop/resize an image file. Then click “Upload Image” to upload.

[View Image]

Click “View Image” button to begin editing process.

On the next screen you can resize your image by choosing a percentage and clicking resize. To undo a resizing, click “Undo to Original Size”.

![Select image area to crop](image)
Click on the image and drag cursor to crop a head shot then click “Crop” button.

Once your image is read to upload click the blue “Upload Image” button.
