

# RETURN TO COMPETITION

## COVID PROTOCOLS

### ~~Responsible Restart Ohio: 24 Hour Rule FAQ's~~

~~These FAQs are in response to member questions. We will continue to update, as necessary.~~

~~Q: What does the Responsible Restart Ohio (9/3/2020) directive say?~~

~~A: "Participants cannot compete in more than one contest or game per day, unless it is against the same team(s) or player(s) as in the initial game or contest."~~

~~Q: What is the rationale behind this ruling?~~

~~A: In Phase 2, sports programs had been restricted to internal training and competition within the same teams or training pools; essentially, the same social groups. This restriction allowed for Health Department officials via local club contacts to link any COVID outbreak to a known or suspected social group and contact other people who might have been exposed.~~

~~In Phase 3, which provides for competition against external opponents, the potential for exposure widens as teams encounter different social groups. Simply, the more people we encounter, the more likely we will be exposed to or risk spreading COVID.~~

### ~~ONE PLAYER, ONE TEAM, ONE OPPONENT, PER DAY.~~

~~Following the letter and spirit of the law:~~

~~Q: Can a team practice or play against the same opponent twice in the same day?~~

~~A: Yes.~~

~~Q: Can a player participate in practices or games with two different teams within the same club on the same day?~~

~~A: No.~~

~~Q: Can a player participate in practices or games with two different teams for two different clubs on the same day?~~

~~A: No.~~

~~Q: Can a player participate on two different sports teams in the same day?~~

~~A: No.~~
