Based on the continuing developments with COVID-19 (Coronavirus), **effective Monday, March 16, 2020 our Ohio North Office Staff will be working remotely until further notice** and will continue to be available to you through email.

Social distancing is intended to limit the interaction of people, within group settings, to diminish disease transmission and protect everyone in our communities, particularly the most vulnerable.

Our hope is that if we all play our part in slowing the spread of this virus, we can resume activity after April 15. Future updates will be provided on our website and through our social media channels.
