

RETURN TO COMPETITION

PHASE III

This email is being sent to Member Clubs and Leagues [09.09.20]

We have received clarification from the Cuyahoga County Board of Health that our August 31, 2020, memo regarding club pass/dual carded/guest players was not correct per the current Health Order.

This memo further clarifies that a “Participant” cannot compete in more than one contest or game or sport per day, unless it is against the same team(s) or player(s) as in the initial game or contest.

[Youth, Collegiate, Amateur, Club and Professional Sports \(ODH\)](#) [Revised 9.3.20]

While this clarification will undoubtedly place additional strain on schools and clubs who rely on players to compete on multiple teams, and even in multiple sports, the Health Order is intended to minimize the cumulative risk of mixing between different social groups.

We apologize for the confusion and will continue to provide updates as our office receives ongoing clarification.
