One Game Per Day Restriction

Lt. Governor Husted announced yesterday that the one-game-per-calendar-day limit on sports competitions has been removed from the current sports order, which is now available at:

[Director's Second Amended Order that Provides Mandatory Requirements for Youth, Collegiate, Amateur, Club and Professional Sports](#)

It is essential we all keep reinforcing COVID-19 mitigation protocols that are currently in place and that coaches, parents, players, clubs, leagues, tournaments, and facilities continue to do their part to help kids have the opportunity to play.

Please continue to re-enforce these guidelines with your teams, parents, and players which can be found on our website:

We will continue to provide updates as our office receives ongoing clarification.
