New applications presented for inclusion for the spring season will only be considered when extenuating circumstances occur. Upon approval of the member applicant's documentation or upon recommendation by the Membership Committee, the Board of Directors may grant Provisional Membership status to allow the application process to proceed.

Each soccer club applying for voting membership in the Association must:

All new member clubs approved by the Board of Directors shall serve a two-year probationary period with annual reviews by the Membership Committee. This probationary status shall be retroactive to all new clubs and clubs formed by merger, which have been approved by the CSA Board of Directors since April 1, 2000.
