They are subject to change because schedules may be changed to minimize a wild card team playing a former opponent.

4. Least goals allowed in all games played within the team's flight
5. Kicks from the penalty spot per FIFA Law

6. If a final preliminary match is between 2 teams that are tied, the match will be played until a winner is determined; OT periods and kicks from the mark if necessary.

R. PROTEST AND APPEALS:

1. To be valid and eligible for consideration, protests shall be lodged verbally with the referee and the opposing coach at the game site within five minutes after the end of the game, except protests relating to the grounds, goal posts, bars, and their appurtenances of the game must be in writing and submitted to the referee and opposing coach prior to the start of the game.

This committee will meet in a closed meeting to make a ruling on the protest. A hearing will be held immediately upon

receiving filed protest and protest fee if it requires immediate action. Otherwise, a decision will be rendered within 48 hours.

6. A plea of ignorance to the rules and regulations of the State Cup competitions is not sufficient grounds for a protest or appeal. Violators may expect appropriate action by the CSA Cup Committee.
7. In State Cup competitions at the State Association level, decisions made on protests and appeals by the CSA State Cup Committee protest and appeal authority are binding and allow the competition to proceed.

S. UNFINISHED GAMES:

1. Any game that is stopped for any cause except team fault before the end of the first half will be replayed.
2. Any match that is stopped in the second half for any reason except team fault will be considered complete. However, if the second half is started, there has to be confidence that the half will be completed. 3. A playoff round match stopped for any cause may be reviewed by the CSA Cup Committee for determination of status.
