Seeing the Game from Both Sides of the Line

Coach and Referee Workshop

Saturday, January 26, 2019

1:00 PM – 3:00 PM

This workshop is designed to create a better understanding of the roles of both the coach and the referee and the importance of their relationship. Coaches and Refs play a major role in the quality of soccer in Colorado. The workshop will look at each role and the difficulties associated with each. We will seek understanding and solutions that must be addressed to create a harmonious relationship for the betterment of the game. Coaches and Refs will be part of an interactive workshop that will encourage thought provoking discussions.
