

AGM 2019

Director of Coaching Meeting

Saturday, January 26, 2019

10:30 AM – 12:00 PM

The Director of Coaching Meeting is an annual gathering so that we all can come together to discuss the state of the game and ways to improve it. This year CSA has invited representatives from US Soccer to present information on Coaching Education and Club Development.

Zac Crawford, a former coach in Colorado will present changes that have taken place on the US Soccer Coaching Pathway and how they can benefit Colorado Soccer. Zac is one of the leaders in US Soccer's Grass Roots Coaching Education.

We will also introduce Colorado's new Club Development Managers. They are Megan McCormick and Arron Lujan. They will be working with all clubs to make the game better for all Colorado's players.

Lastly, it is an opportunity to hear your needs and ask for your assistance in elevating the game.
