

**2018 DISTRICT SELECT PROGRAM
PLAYER AGE GROUPS (BOYS & GIRLS)**

All players must try out and play for their Age Group.

These are the US Soccer/USYS Age Groups from the 2017/18 soccer year.

Age Group	Born In
11U	2007
12U	2006
13U	2005
14U	2004
15/16U	2003, 2002
17/18/19U	2001, 2000, 1999

The age group “label” will be determined by subtracting the year in which the players participating in the competition were born from the year in which competition ends.

Note: 10U players (Born in 2008) will be permitted to tryout and play with 11U only if there are not enough 11U players to complete a team. These players will be waitlisted pending notification from the coach. 10U players who are placed on a team will be required to tryout for the 11U team the following year if they plan to play again.
