About the Mike Kabanica Scholarship

Annually WYSA selects three boys and three girls to be awarded the Mike Kabanica Scholarship. Kabanica served as Wisconsin Soccer Association President for nearly two decades up until his passing in October 1996. The scholarship program is a testament to his legacy to the growth and development of youth soccer in the State of Wisconsin.

Awardees are selected based on accomplishments in the classroom and on the soccer field, as well as contributions to their community through volunteerism and other community service activities. Each will receive \$500 to be used towards their college education.
