

Wisconsin Youth Soccer Association proudly announces the 2017 Mike Kabanica Scholarship winners. These high school seniors, 3 boys and 3 girls, were chosen amongst over 100 applicants to receive a \$500.00 college scholarship for their efforts in promoting and participating in the game of soccer.

Carson Albert | SC Waukesha | Carson attends Kettle Moraine High School and will be entering the Honors Program and playing soccer at the Milwaukee School of Engineering (MSOE). Pursuing a degree in civil engineering, Carson strives to combine his passion for math with his desire to help solve the global water and energy crises.

Jack Chandler | Milwaukee Bavarian SC | Jack attends Whitefish Bay High School and will be attending the University of Notre Dame. Jack's interests lie in engineering, specifically aerospace engineering, and macroeconomics. Either path Jack chooses, his ultimate goals are to enter a career that remains intellectually stimulating and benefits the welfare of society.

Trevor Schulte | Oshkosh United | Trevor attends Oshkosh North High School and will be attending UW Platteville. Conservation of the environment and the switch to worldwide sustainable energy are equally important to Trevor. As such, he will be pursuing a career in environmental engineering so he can have an impact on a local, national, and global level.

Haddie Carlson | SC Waukesha | Haddie attends Lake Country Lutheran and will be playing Division 1 soccer at Central Michigan University. Haddie is currently undecided, but is interested in studying marketing or teaching. Ultimately, Haddie would like to play soccer professionally either in the States or Europe.

Sarah Pasternak | Brookfield Soccer Association | Sarah attends Brookfield Central High School and will be playing soccer at the University of St. Thomas. Sarah will be studying health and physical education as she aspires to teach High School health. Additionally, Sarah hopes to extend her soccer career after college as a coach.

Kendall Schoenike | Strike FC Wisconsin | Kendall attends Pewaukee High School and will be attending UW Madison. Already shadowing multiple PTs and being a PT aide this summer, Kendall is excited to pursue a career in Physical Therapy and help athletes through injuries, just as her PTs assisted her.
