TOPSoccer is designed for children with special needs. We welcome any athlete from 4-21 years of age with physical and/or mental disabilities to take part in soccer practice. All players participating will learn basic ball skills, play soccer related games and meet new friends. NSU is excited to provide this great program to kiddos that want to find out what soccer is all about!

Cost: FREE!

US Youth Soccer TOPSoccer (The Outreach Program for Soccer) is a community-based training and team placement program for young athletes with disabilities, organized by youth soccer association volunteers. The program is designed to bring the opportunity of learning and playing soccer to any boy or girl, who has a mental or physical disability. Our goal is to enable the thousands of young athletes with disabilities to become valued and successful members of the US Youth Soccer family.
