

Executive Director Report June 2018

State Cup/President's Cup

- Megan and I held three finals at Smith Estates on May 12.
- 3 age groups had finals. 13UB, 14UB & 17UB.
- 2 teams are headed to PC. CSA U12B dropped and will be fined.
- All teams attending NCS have completed player info in the USYS Event Management System
- Parents will be charged \$25 per car to attend NCS. Fee is \$30 onsite/\$10 for a day pass.

EDP

- EDP league is now sanctioned USYS. They have cut ties with US Club
- Teams that compete in the top 2 levels of the National League level of EDP, must participate in State Cup. Teams are not obligated at the other levels.

Blue Star/Stack

- I have been working with Blue Star/Stack to create our registration program. I've had weekly calls since last August.
- We are ready to go live with the link for "export players. System will be "live" in July
- We will update our website early fall 2018
- See sheet on information for coaches/volunteers and Risk Management

National Data Center

- Each club must register so that their players can receive their ID number and US Soccer Federation can track the players. Turnaround time approx 48-72 hours, however, those players requiring ITC will take longer.
- Blue Star/Stack and the NDC are fully integrated. We will no longer be required to send our player info to them via a spreadsheet. YEA!
